

## How do I add Teams to a Competition?

Last Modified on 17/11/2023 12:22 pm AEDT

Firstly, login to your [Online Membership Database](#) - If you don't have your login details please contact your State Governing Body or Association.

Once a competition has been set up, teams can be added to the competition. Then once teams are added, a fixture can be generated.

There are two methods for adding teams into a competition:

- Create new teams and add them directly into the competition
- Move existing teams from a previous competition into the new season's competition

These instructions will cover the first method - creating new teams and adding them to the competition.

1. From the association or club level of Membership, click on Teams in the top menu.

2. The list of teams in the association will appear. Click on Add in the top right corner.

The screenshot shows the 'Teams in Association' page. At the top right, there is an 'ADD' button highlighted with a red arrow. Below the header, there are filters for 'Showing - Season' (2014), 'Age Group' (--All Age Groups--), and 'Active'. A table lists the following teams:

Team Name	Competition	Season	Age Group	Contact Name	Email	Phone	Active
Allianz Eagles 2	Netball Monday	2014					<input checked="" type="checkbox"/>
Cancer Council Victoria	Netball Monday	2014					<input checked="" type="checkbox"/>
M + K Magic	Netball Monday	2014					<input checked="" type="checkbox"/>

3. Enter the details in the fields provided, ensuring that you:

- Select the club that the team belongs to (association only). If you have logged into Membership at club level, the team will be added to your club.
- Enter the team name
- Select the competition from the drop-down list that the team will participate in
