Overview

GameDay's **My Finances** page allows you to track any of your organisation's financial data in one place, including incoming transactions (both online and manual), as well as any settlement payouts that have been distributed to the bank account you nominated as part of your Stripe onboarding.

To access the My Finances section of your database, open the **Finances** menu, then click **MANAGE FINANCES**

Transactions

The Transactions tab allows you to see a list of all transactions processed through your database. This includes the following information:

- A unique Payment Reference
- Transaction Date
- Payment For (the name of the member attached to the transaction)

- Amount
- Payment Method
- Status

You can also process refunds for paid orders within the Transaction record. [Click here](#) to learn more about issuing refunds.
