

Assigning a Coach and a Manager to a Team

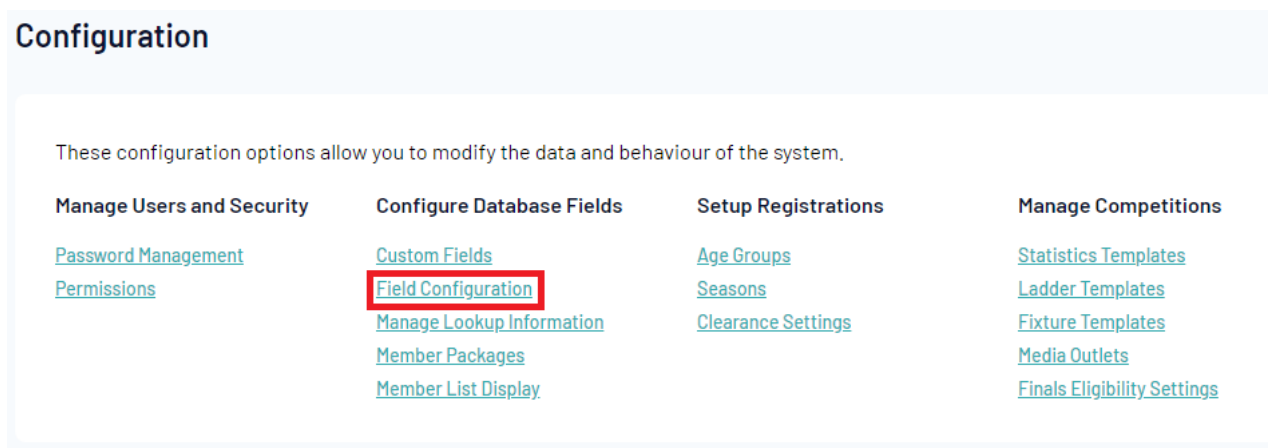

Last Modified on 09/03/2022 12:00 pm AEDT

To add a coach to a team you need to configure the Team Coach field in your Settings. To do this:

1. Click the Cog on the right hand side of your dashboard and then click Settings.

2. Click Field Configuration.

3. Click Team Fields.

Field Configuration

Choose the visibility and editing options for each of the available Member fields.

Row colors:

Member Fields Club Fields

▼ Team Name	For my level Compulsory	For levels below Compulsory
▼ Nickname	For my level Let levels below choose	For levels below Let levels below choose
▼ Three Letter Code	For my level Let levels below choose	For levels below Let levels below choose
▼ Contact Title	For my level Let levels below choose	For levels below Let levels below choose
▼ Contact Name	For my level Let levels below choose	For levels below Let levels below choose
▼ Address Line 1	For my level Editable	For levels below Editable
▼ Address Line 2	For my level Let levels below choose	For levels below Let levels below choose
▼ Suburb	For my level Editable	For levels below Editable
▼ State	For my level Editable	For levels below Editable
▼ Country	For my level Let levels below choose	For levels below Let levels below choose

Now this field will display when you are editing a team.

For a member to appear in the drop down list, they need to be registered in the current season as a coach. This can be configured at the member level (member history > clubs > edit clubs).
