

How do I create a Player Round Statistics template?

Last Modified on 29/11/2023 1:22 pm AEDT

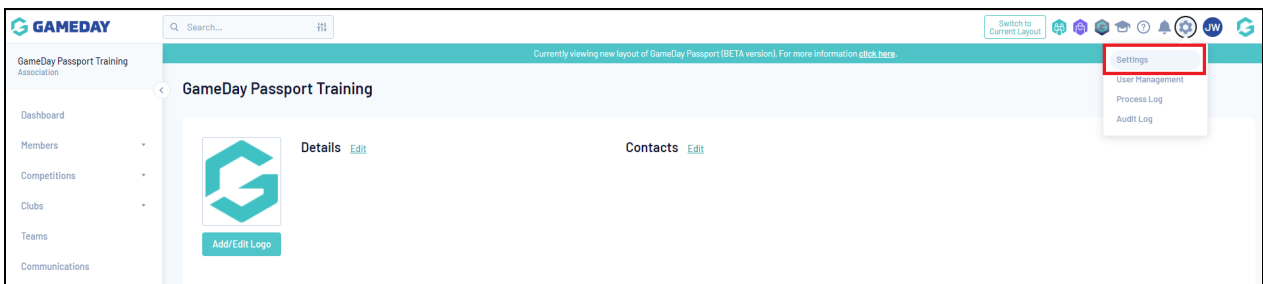

Player Round Statistics allow you to customise the match statistic categories that are captured and displayed for each player as compared with all other players in that round.

Firstly, login to your [Online Membership Database](#) - If you don't have your login details please contact your State Governing Body or Association.

Creating a Player Round Statistics Template
