

# How do I rollover my competitions to a new season?

25/09/2025 3:45 pm AEST

The Bulk Competition Rollover is a function that now allows Associations to duplicate Competition details from one season to another. This dramatically accelerates the new season setup process as the information is automatically entered from the previous settings. This feature allows administrators to select which competitions are rolled over, this can be from rolling over one competition to all of them.

1. From the Association dashboard select 'Competitions' and then select 'Bulk Competition Rollover'.

2. In the Bulk Rollover Competitions section enter the Season details that you want to copy competitions from.
