

How do I rollover my competitions to a new season?

Last Modified on 17/11/2023 12:25 pm AEDT

The Bulk Competition Rollover is a function that now allows Associations to duplicate Competition details from one season to another. This dramatically accelerates the new season setup process as the information is automatically entered from the previous settings. This feature allows administrators to select which competitions are rolled over, this can be from rolling over one competition to all of them.

1. From the Association dashboard select 'Competitions' and then select 'Bulk Competition Rollover'.

2. In the Bulk Rollover Competitions section enter the Season details that you want to copy competitions from.

Choose which Competitions to rollover by selecting the seasons from the following options:

Seasons:

Competition Type:

Gender:

Division:

Default Age Group:

Note: You must ensure that the Season you select is the same Season as the existing Competition that the Teams will be from.

3. You will then need to Click the box next to the Competition/s that you want to duplicate into a new Season.
