

# How do I create a Player Career Statistics template?

Last Modified on 29/11/2023 1:25 pm AEDT

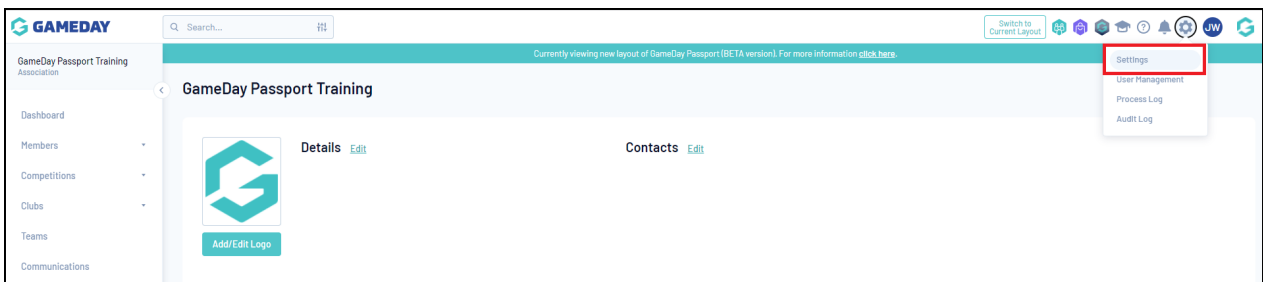

**Player Career Statistics** allow you to customise the match statistic categories that are captured and displayed for each player over the course of their career.

Firstly, login to your [Online Membership Database](#) - If you don't have your login details please contact your State Governing Body or Association.

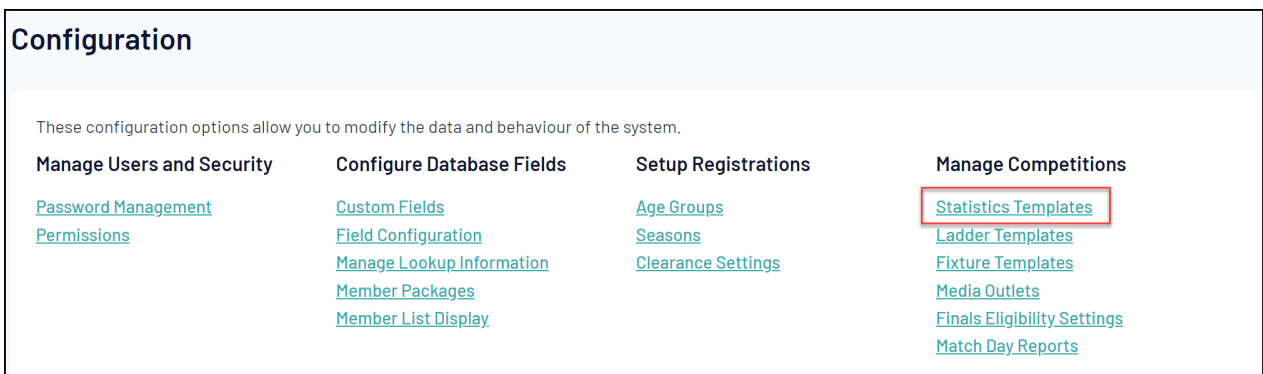

## Creating a Player Career Statistics Template

To set up a **Player Career Statistics** template:

1. Click the **Settings Cog** on the right-hand side of the dashboard, then click **SETTINGS**

2. Under the **Manage Competitions** section, click **STATISTICS TEMPLATES**

3. Click **ADD**

5. Enter a name for the template and select **PLAYER CAREER STATS** as the **Template Type**

## Statistics Template - Add New

To modify, change the details in the boxes below. When you have finished, press the 'Update Statistics Configuration' button.

**Note:** All boxes marked with a \* must be filled in.

Template Name\*

Template Type\*

Update Statistics Configuration

### 6. Click **UPDATE STATISTICS CONFIGURATION**

## Statistics Template - Add New

To modify, change the details in the boxes below. When you have finished, press the 'Update Statistics Configuration' button.

**Note:** All boxes marked with a \* must be filled in.

Template Name\*

Template Type\*

Update Statistics Configuration

7. You will then see a screen that will allow you to define which statistic categories you would like to capture for this template. The fields that are available on the following screen are set for all associations and leagues across your particular sport. Click and drag across the statistic fields that you wish to use from the Available Fields box on the left across into the **Selected Fields** box on the right.

## Statistics Template - Add New

Use this screen to choose which statistics fields to display by dragging fields from the box on the left into the (box on the right). When you have finished press the 'Update' button.

Available Fields

Red Cards  
Yellow Cards

Selected Fields

1. Club  
2. Matches  
3. Goals  
4. Last Played

Sort by 1:

Matches

Sort by 2:

Goals

Sort by 3:

Update

You can also define the order in which players will display by adding stats fields in the **Sort By 1-3** fields.

## Statistics Template - Add New

Use this screen to choose which statistics fields to display by dragging fields from the box on the left into the (box on the right). When you have finished press the 'Update' button.

### Available Fields
