

How do I cancel a member's transaction?

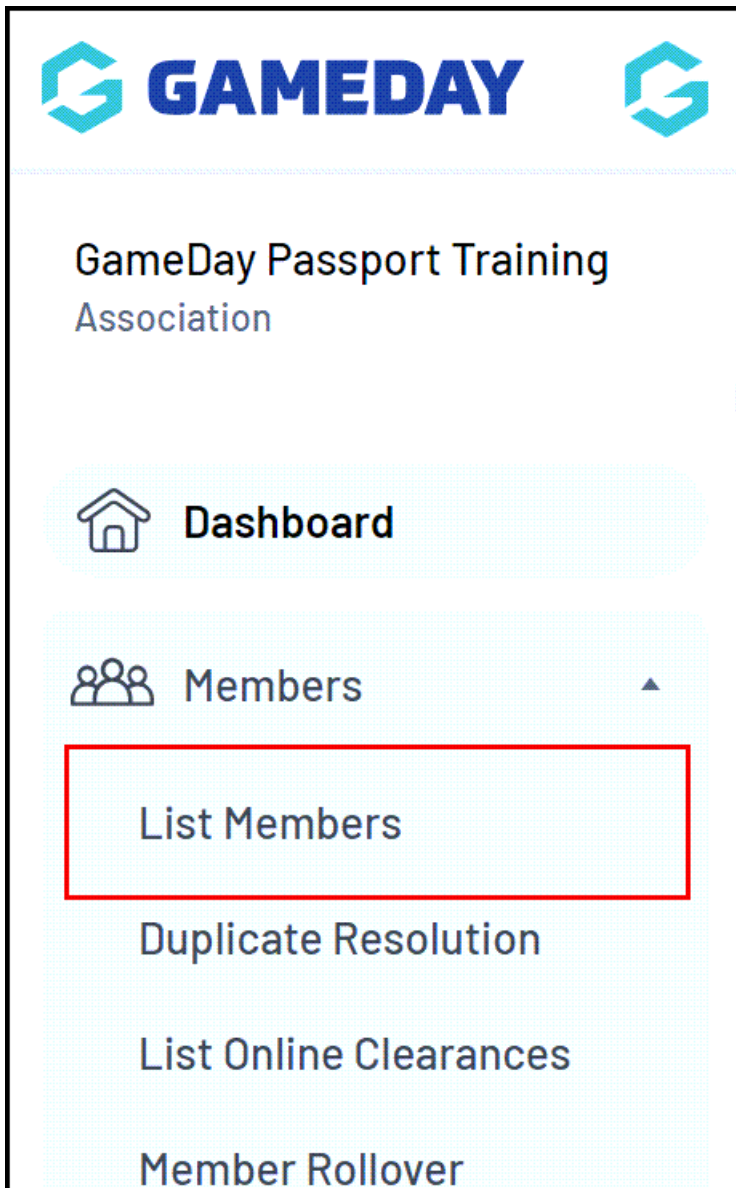

Last Modified on 28/03/2024 3:53 pm AEDT

GameDay Passport administrators can cancel an existing transaction from a member's record. Please note that refunds cannot be processed through the system. You will have to arrange refunds outside of the GameDay system.

Once the refund has been processed according to your club's or association's refund policy you can change the transaction status from paid to cancelled in the system by completing the following steps:

To manually record a payment on a member record:

1. In the left-hand menu, click **Members > LIST MEMBERS**
