

## How do I update my account email through my Member Profile?

Last Modified on 09/11/2023 1:11 pm AEDT

Members are able to update their account email address through their **Member Profile** following the steps below:

**Note:** Changing the account email of a member means that the new email will be used to login to registration forms and member profile, and will become the new destination for system messages such as password resets.

1. Log in to your Member Profile using the email address and password you used when registering to your relevant organisation. If you do not have the link to your member profile, see the article [here](#) to find the relevant member profile for your sport.

A screenshot of the 'Member Profile' sign-in page. The page has a teal header with the text 'Member Profile'. Below the header, the main content area is white and contains the heading 'Please sign in'. Underneath the heading, there are two input fields: 'Email' with a placeholder 'Email Address' and 'Password' with a placeholder 'Password'. To the right of the password field are two links: 'SHOW' and 'Forgot?'. Below the input fields is a green 'Sign in' button. At the bottom of the page, there is a dark footer with the text '© Copyright GameDay. All rights reserved. | Privacy Policy' on the left and the GAMEDAY logo on the right.

2. Select the relevant member from the list
3. Click **ACCOUNT SETTINGS** on the left hand menu
