

Football: Post-Game Results Entry

Last Modified on 22/04/2024 3:44 pm AEST

As an Associations running a Football competition, you can enter results and statistics in line with the sport's competition requirements by following the steps below:

Opening the Match Results Portal

In the left-hand menu, click **Competitions > MATCH RESULTS**

Click **POST GAME** next to the match for which you want to enter results

Entering Match Statistics

Enter the relevant details as needed. Common Football-specific match statistics include:

- **Half Time Score**
- **Full Time Score**
- **After Extra Time (AET) Score**
- **Penalty Shoot Out Score**
- **Own Goals**
- **Yellow Cards**
- **Red Cards**
- **Substitutions**
- **Result (Won/Lost):** This field will automatically update based on the final score entered in the fields above

Note: Statistics and results fields are configured through the [Team Statistics Template](#) assigned to the competition

You can also use the **ADD** options to record a scorer, recipient, penalty or substitution, depending on the field.

Note: Be sure to check that the scorers listed match the half-time/full-time score before saving

Adding a Yellow or Red Card

Click **ADD RECIPIENT** next to the Yellow Card or Red Card field to:

- Select the individual who received the Card
- Add the timestamp for each Card that has been awarded (indicate injury time if required)

Note: Be sure to check that the yellow and red card recipients that are listed match the half-time/full-time total

The screenshot shows a match management interface with two columns of statistics and action buttons. The left column includes: Penalty Shoot Out Score (input field, Add Penalty button), Own Goals (input field), Yellow Cards (input field), a highlighted section for adding a recipient (Minutes, Inj. Time, Select Team Member dropdown, Add Recipient button), Red Cards (input field, Add Recipient button), and Substitutions (Add Substitution button). The right column includes: Penalty Shoot Out Score (input field, Add Penalty button), Own Goals (input field), Yellow Cards (input field, Add Recipient button), Red Cards (input field, Add Recipient button), Substitutions (Add Substitution button), and Results (Select result dropdown).

Adding a Substitution

Click **ADD SUBSTITUTION** to:

- Record the time of Substitution (indicate injury time if required)
- Select the Player coming OFF
- Select the Player coming ON

This screenshot highlights the substitution form in the interface. The highlighted section (indicated by a red border) contains: Minutes (input field), Inj. Time (input field), On (Sub on dropdown), Off (Sub off dropdown), and an Add Substitution button. The rest of the interface is visible in the background, showing the same statistics and action buttons as the previous screenshot.

Once completed, click **UPDATE MATCH SCORES**
