A ladder adjustment involves making a manual change to a ladder that the program cannot otherwise accommodate for. These are usually process as a result of specific association rules or regulations.

To make a manual ladder adjustment:

1. Hover over the Competitions menu and click on Ladder Adjustments.
2. Click on the Add button on the right hand side to add a new adjustment, then select the competition.
3. Enter in the adjustment reason, the team and the round number, then remove the require points, score etc. as required.
4. Click Update Ladder Adjustment to save.

Once save the ladder for the competition should automatically reflect the changes made.
