Adding a New Competition Coordinator

A new Competition Coordinator is defined as the person in charge of running competitions at the Association linked to your Aussie Hoops program.

When a Program Renewal email is being sent out from an Aussie Hoops Association, the New Competition Coordinator's details MUST be filled out within your Aussie Hoops Database. To do this, follow these simple steps.

1. From your dashboard, click 'Contacts'.

Busselton Basketball Association - Aussie Hoops

Logo Edit Logo	Details Edit	Contacts Edit
<input checked="" type="checkbox"/> Details	Address PO Box 572 Busselton WA, AUSTRALIA, 6280	Administrator (PRIMARY CONTACT)  noreply@foxsportspulse.com
<input checked="" type="checkbox"/> Contacts	Phone 0407 794 009	
<input type="checkbox"/> Locator	Email noreply@foxsportspulse.com	

2. Scroll down to 'Committee Member' and fill in the New Competition Coordinators details. It is essential that these details are filled in so that the Program Renewal email can pull this information through, to show the participants.

Note: Ensure that the Competition Admin box is ticked.

3. If these areas are not filled, this section will remain blank and potentially confuse members.
