How to manually change points for players (Club)

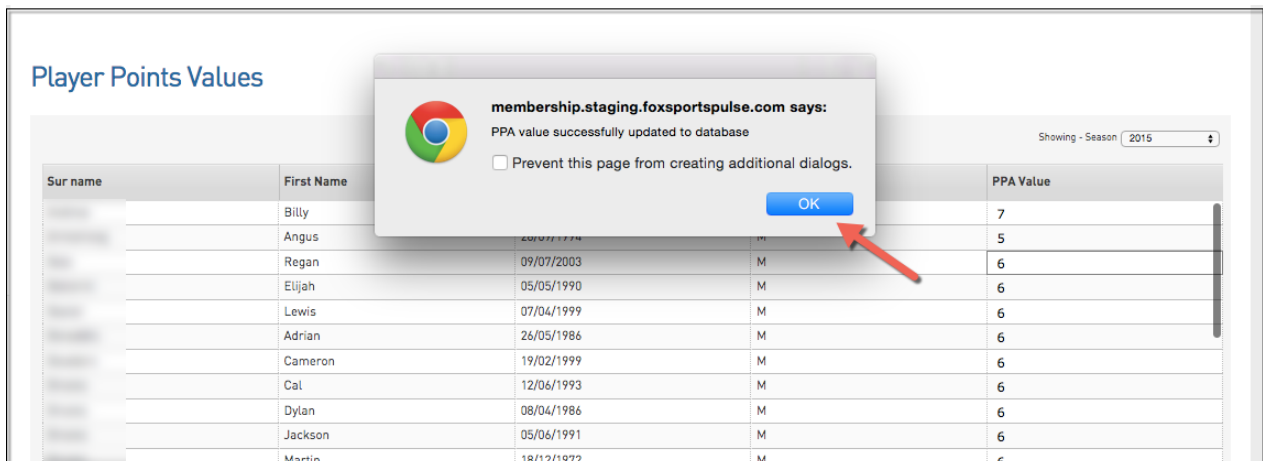

To do this by bulk:

1. Hover over *Members* and click '**Player Points Values**'.

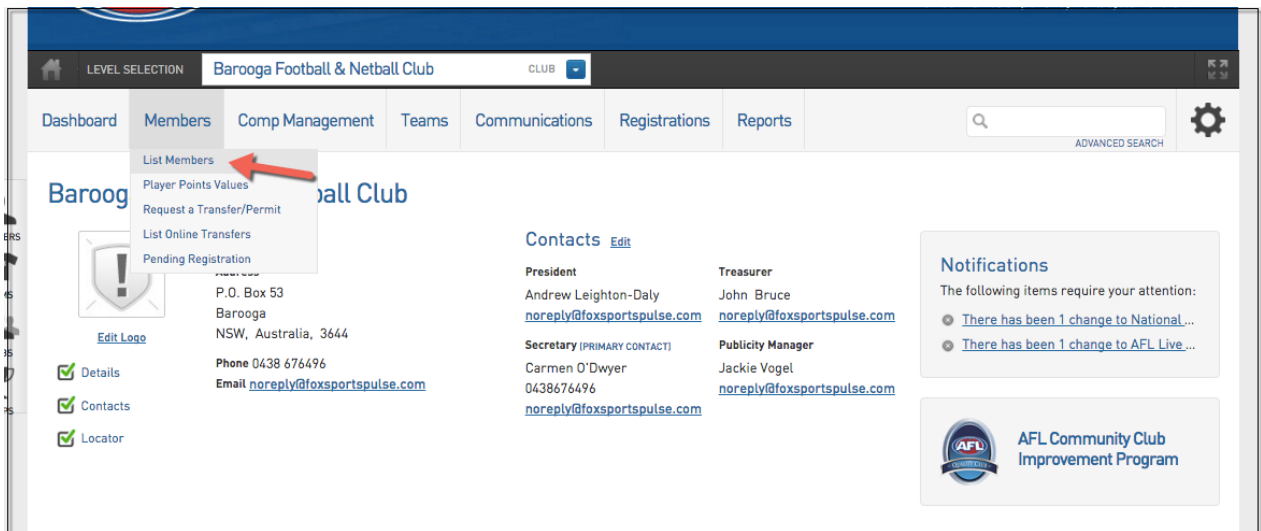

2. As shown in the shot below, you can manually change the PPA Value. Click on the number next to the specific player to change it. A confirmation will pop up.

Please note: Maximum player numbers differ by State. If a number exceeds what is allowed, a pop up box will appear informing you of this.

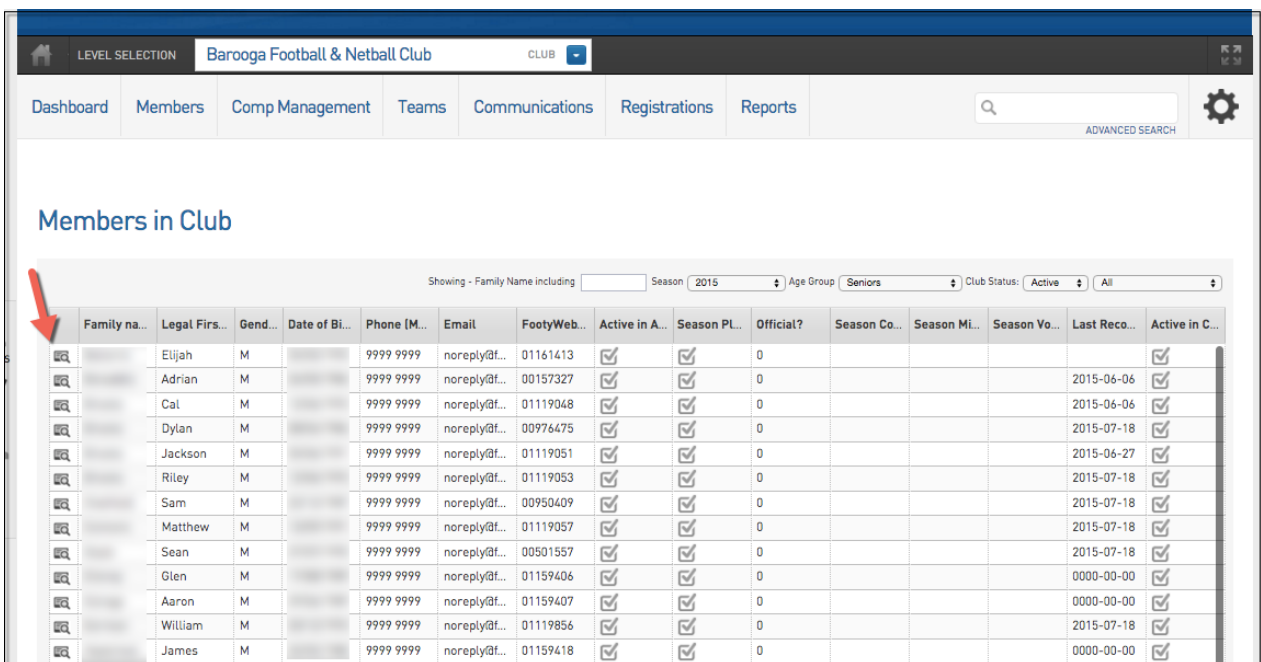

To do this to specific members:

1. From the Club dashboard, hover of *Members* and click **List Members**.

2. Click the **Edit** sign next to the member you wish to edit.

3. On the right hand side, you will be able to manually change a player's points. Click **Edit**.
