

Transfer funds from your bank using POLiPay

Last Modified on 23/07/2021 9:18 am AEST

Gameday Passport now accepts POLipay as a safe and secure method of payment.

POLi allows you to pay for your registration fees using money straight from your bank account via Internet Banking.

To pay using POLipay pay, follow these easy steps:

1. Once you have progressed through the registration form and chosen your product, choose POLi Payments and click Proceed to Payment.

Select your payment method

Bank Transfer

Make payment directly from your bank account.

2. a) Choose your bank.

NOTE: if your bank does not display here there isn't anything Gameday can do as this is not our product, only an integration, so it will mean that your bank is not on the available bank list for Polipay itself. Please speak to Polipay if you have any questions regarding your bank being listed. You may need to use another payment method instead.
