How do I find a Registration Form Number?

Last Modified on 07/12/2023 2:29 pm AEDT

When adding a registration form to a club site, you will be prompted to enter the registration form number. This can be found by following these simple steps:

1. Within your database, click the drop-down arrow under **Registrations** > click **REGISTRATION FORMS**.

2. Once on the Registration Forms page, you will see your forms listed.

Copy and paste this into the widget manager box.
