How do I create Venues?

Firstly, login to your Online Membership Database - If you don’t have your login details please contact your State Governing Body or Association.

1. To add a Venue, hover over Competitions and click Venues.

2. Click on the Add a Venue button in the top right hand corner.

3. Enter the details in as required. If you include a Street Address, Suburb and Postcode then a Google Map of this venue will appear on this Venue's page on your website enabling players and supporters to find the venue a lot easier.
