

Accessing Schedula

Last Modified on 13/12/2021 11:27 pm AEDT

To access Schedula to manage your availability please complete the following steps:

1. Complete your registration to your Referees Association in the current season - further information on Registering can be found via our [Participant FAQ's](#) article.
2. Log in to Schedula via - <https://schedula.mygameday.app/> using the following details:

Email: Is your primary email used to register to your referees association.

Password: Is either a custom password of your choosing OR your DOB in DDMMYYYY format. If you are unable to remember your password, please use the forgot password option.

3. Once you have successfully logged in to Schedula, you are then able to [Manage your Availability](#)

***Note:** if you are unable to login to Schedula, it is likely the email address you are using does not match the email against your name in the referees association membership database. You will need to contact your association directly, to have this rectified. Please be aware GameDay are not authorised to edit or provide member information.*
