

Courtside: Initial Setup

Last Modified on 05/10/2022 11:38 am AEDT

Once you have downloaded Courtside, there is an initial set up process.

NOTE: You must have an internet connection to complete this process.

Adding a Court

When you enter Courtside for the first time, you are prompted to enter a **Court ID** and **Setup ID**. These are unique to your venues and are necessary to ensure the correct games are downloaded.

Tap on the line to activate the keyboard.

Enter the **Court ID** and the **Setup ID** and click Submit.

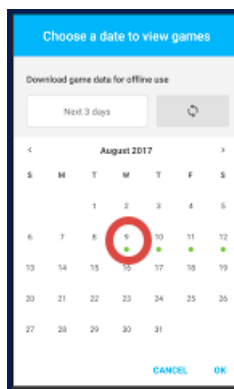

A screenshot of a mobile application interface. At the top, the status bar shows "9:41 am Tue 2 Mar" and "58%". Below the status bar, the app header displays "No court selected" and "Monday 1st March, 2021" with a dropdown arrow. On the right side of the header are "Sync" and "Admin" buttons. The main content area has a grey background with a central white card. The card features the Courtside logo and the text "Enter Court ID & Setup ID". Below this text are two input fields: "Court ID" and "Setup ID". At the bottom of the card are "Cancel" and "Submit" buttons, and a "Privacy Policy" link.

This will then display the list of competitions available for the venue.

NOTE: the app will only be able to display games for matches no more than 3 days in advance so if you have no games within the next 3 days you will need to wait until closer to the date to download these games.
