## How do I add availability dates to a registration form?

Last Modified on 29/01/2024 3:22 pm AEDT

GameDay Passport administrators have the option to add availability dates to a registration form, allowing the system to automatically activate and deactivate a registration form on certain dates.

**Note:** If you do not have access to this feature, please contact your governing body directly, as this may be turned off for your sport

To apply availability dates to a Registration Form:

1. In the left-hand menu, click **Registrations** > **REGISTRATION FORMS**
