## Fixure Grid - ability to filter by club and competitions

With the new upgrades to the platform, league/association administrators now have the ability to filter the fixture grid to see games for teams within a specific club as well as games for a specific competition/s.

Clashes will still be recongised however you won't be able to see the game/s that may be clashing due to filtering, so once you have input the games, your best option will be to display the fixture back to all competitions/clubs and check the fixture grid to see what games are clashing.

### FILTER BY CLUB

Administrators now have the ability to filter the fixture grid to only show games for teams within a specific club. At the top of the fixture grid administrators will have a drop down option to filter to a specific club, which will in turn display the fixture for all the teams in that club. Once the club has been selected click the **refresh** button to reload the grid.

When filtering by a specific club, the fixture grid will only show the **allocated** teams - all unallocated teams (regardless of the club) will still display due to not being allocated as admins still need the ability to view all unallocated games in order to fixture them correctly.

*(In this example, the **Eltham Saints** club was filtered and the fixture grid now shows those teams allocated to the fixture grid who are part of that club)*

The screenshot shows a fixture grid interface with the following filters and settings:

- Start Date: 01/08/2018
- Club: **Eltham Saints** (highlighted in red)
- Days to display: 6
- Show Venue Times: Yes
- Comp: Select Some Options
- Buttons: REFRESH, PRINT VIEW
- Radio buttons: Venues in Use, All Venues, Selected Venues (see below grid)

The fixture grid displays fixtures from Wednesday, 1 Aug 2018 to Tuesday, 7 Aug 2018. The grid is divided into columns for Date/Time, CRT1, CRT2, and Test Court. A sidebar on the left is labeled 'Unallocated'. Specific fixtures for Eltham Saints Men's are highlighted in red:

- Saturday, 4 Aug 2018, 10:00 AM: S19MA Cronulla vs **Eltham Saints Men's**
- Saturday, 4 Aug 2018, 3:00 PM: S19MA Cronulla vs **Eltham Saints Men's**

## **FILTER BY COMPETITION**

Administrators now also have the ability to filter the fixture grid for a specific competition, if they would to only adjust or view the fixtures for one specific competition/s. One or more competitions can be selected to display on the fixture grid. Once one or more competitions have been selected, click the **refresh** button to reload the grid.

When filtering by competition, only those competitions in the current season will be displayed, so be sure the season setting for your association is set to the correct season.

*(In this example, we will filter the fixture grid to only display competitions for the*

Summer 2019 Men's A Grade competition).
