

Post Game Match Results | Overview (Desktop)

Last Modified on 10/08/2023 3:54 pm AEST

The Post Game screen allows administrators to enter team statistics, match results, and individual player statistics that can then be saved to your Passport competitions database in order to generate ladders and publish competition data to websites.

To access the Post Game match results screen:

1. Login to your Passport account and click **RESULTS ENTRY AND LIVE SCORING**

This will display a number of tabs where admins can input team and player statistics as well as enter any award votes.

NOTE: Different sports will have different statistics for teams and players. If you notice a specific team or player statistic not listed within these screens, please contact your association directly.

FINAL MATCH SCORES

This tab is where all team match statistics are entered. You also have the ability to enter any notes related to the match.
