The ladder for the competition can be viewed via:

AN INDIVIDUAL MATCH:

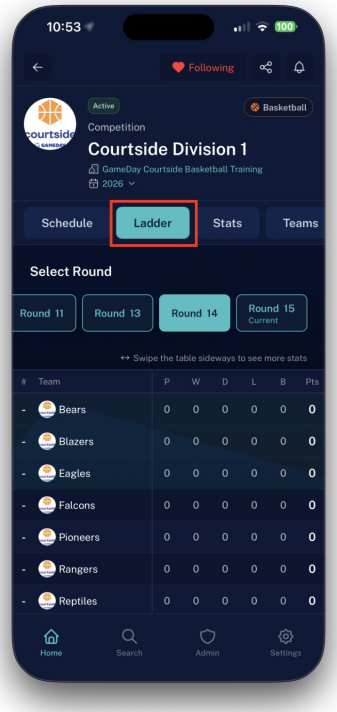

1. On the **home** tab, click into an upcoming match.

2. Scroll down to the competition section and click on the competition tile

3. Click on the **Ladder** tab.

Swipe the table across to review additional ladder fields.

> **NOTE: If you find the ladder incorrect, please contact your competition administrators directly, as they can check and update this if needed.**
