

GameDay Passport New vs Old Layout Comparison

Last Modified on 15/02/2022 3:45 pm AEDT

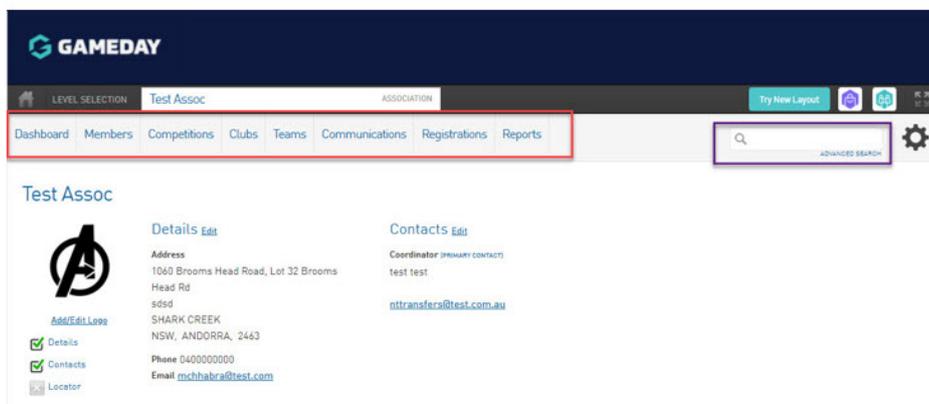

GameDay has introduced a new layout for our market-leading software GameDay Passport as part of our product refresh to align our products to our new brand. This change does not affect the current functionality of any of the admin processes, admins will just be accessing these sections a little differently.

The following article outlines the major before and after differences with the new user interface (UI) within *some of the sections throughout the database - the overall layout will remain for those sections that are pretty similar.*

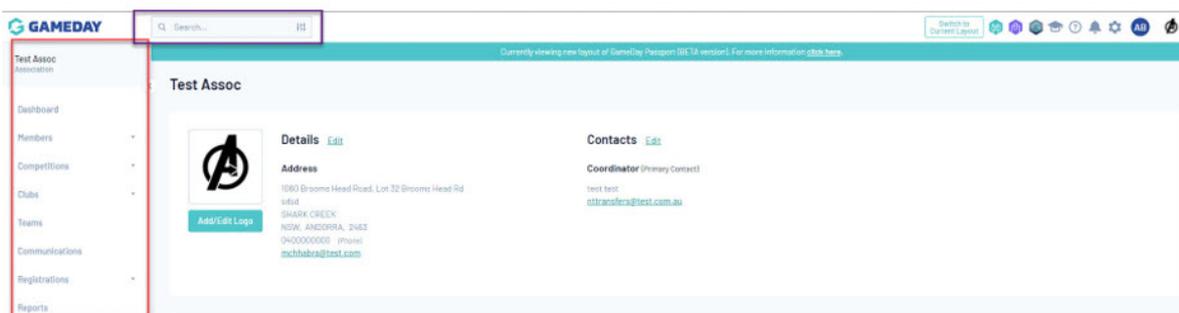

DATABASE MENU ICONS

Here admins will notice that the old layout had the menu on the top, while the new layout has the **menu is now accessible via the left hand side** of the page and the search bar has moved further to the left in the new layout.

NEW LAYOUT

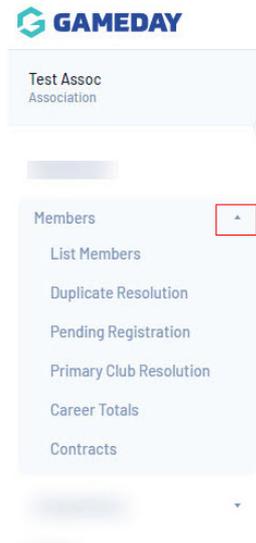

When using the menus, the old layout admins used to hover to see the sub-menus within that section, now you **click the drop down arrow against the menu** to see the sub-menus.

-  Locator

Use this section to update the important contacts for your organisation. Click on the arrow to complete details for each individual, ensuring you indicate which functional responsibilities they take. Only one person can be the primary contact, but multiple people might take responsibility for sponsors and fundraising for example.

While you should list your full committee, it is fine to have spare positions if there are certain positions your constitution does not allow for. For example, you may not have a registrar. If that is the case, simply leave that blank.

In the bottom section you can add extra committee positions or provide additional functional roles. We use generic titles, so use the one that approximates best the roles you have.

MEMBER PROFILES

The member profile has a new slimlined layout, where in the old view the **profile menu items** were along the top and are **now along the left hand side** as well with the document section moving across to the right hand side.

OLD LAYOUT

The screenshot shows the old layout for a member profile. At the top, there is a navigation bar with a search field containing 'SteVen Adams' and a 'MEMBER' dropdown. Below this is a horizontal menu with options: Dashboard, Types, Transactions, Tags, Tribunal, Member History, and Statistics. To the right of the menu are buttons for 'Try New Layout', 'MARK AS DUPLICATE', and 'MEMBER CARDS'. The main content area is titled 'SteVen Adams' and includes a profile picture placeholder with an 'Add Photo' button. Below the photo is a 'Documents' section stating 'No Documents available' with an 'ADD DOCUMENT' button. The profile details are organized into three columns: 'Member Detail Summary' (with 'Edit' link) showing 'Assigned Gender at Birth: Male' and 'Date of Birth: 12/02/1988'; 'Contact Details' (with 'Edit' link) showing 'Email: test@sportsiq.com'; and a 'Registered' section (with a green header) showing 'Registered in Current Season: 2021 B as' followed by a list containing 'Player' and 'Manager'. Below this is an 'Other Clubs' section with a list containing 'CS Ext BETA Test Club (Player)'.

NEW LAYOUT

On the left is a vertical sidebar menu with options: SteVen Adams (Member), Dashboard, Types, Transactions, Tags, Tribunal, Member History, and Statistics. The main content area is titled 'SteVen Adams' and includes a profile picture placeholder with an 'Add Photo' button. Below the photo is a 'Documents' section (highlighted with a purple box) stating 'No Documents available' with an 'Add Document' button.
