Promo Code Discount Report

Last Modified on 09/11/2023 2:05 pm AEDT

If you are offering Promo Codes as part of your registration process, you can use a Transactions Report to report on any transactions that have applied a Promo Code as part of their purchase, including the amount discounted from each transaction.

To report on Promo Codes:

1. On the left-hand menu, click **REPORTS**

2. Click the **FINANCE** tab

- Dashboard
- Admin Reports
- COVID-19
- Clearances
- Clubs
- Competition
- Competitions
- Contacts
- Courtside
- Finance

Reports are grouped into different areas depending on the data they report on. Choose the type of report you would like to use from the buttons on the left.

There are two types of reports present in the system.

Quick Reports - Indicated by the 'Run' button, they are predefined and allow you a quick look at your data.

Advanced Reports - Indicated by the 'Configure' button, they allow you to define which fields you want to display and add custom filters to your report.

Popular Reports

Transactions Configure

Set your own parameters etc for reporting on Transactions

Funds Received Configure

Set your own parameters etc for reporting on Transactions from which you have received funds

3. Find the **Transactions** report and click **CONFIGURE**

- Dashboard
- Admin Reports
- COVID-19
- Clearances
- Clubs
- Competition
- Competitions
- Contacts
- Courtside
- Finance

Finance

Transactions Configure

Set your own parameters etc for reporting on Transactions

Transactions Sold Configure
