Reports are grouped into different areas depending on the data they report on. Choose the type of report you would like to use from the buttons on the left.

There are two types of reports present in the system.

Quick Reports - Indicated by the 'Run' button, they are predefined and allow you a quick look at your data.

Advanced Reports - Indicated by the 'Configure' button, they allow you to define which fields you want to display and add custom filters to your report.
