

How do I add my organisation contact details to my Registration Form footer?

Last Modified on 05/12/2023 4:56 pm AEDT

GameDay Passport allows administrators to configure certain contact details to feed through to all registration forms, appearing in the footer section as below:

	How many people are you registering?	?	
	Adults		
	1		
	Children		
	0 •		
	Continue		
	GameDay Passport Training	Payment Providers	
		Now ProvProl	
	hello@mygameday.app		
	*61400100200	Braintree	
	f y D 0		

These fields are fed directly from the settings you apply in your Passport database. All footer fields can be found by clicking the **EDIT** button next to the Details section on your organisation dashboard:
