

## Payment Configuration | Overview

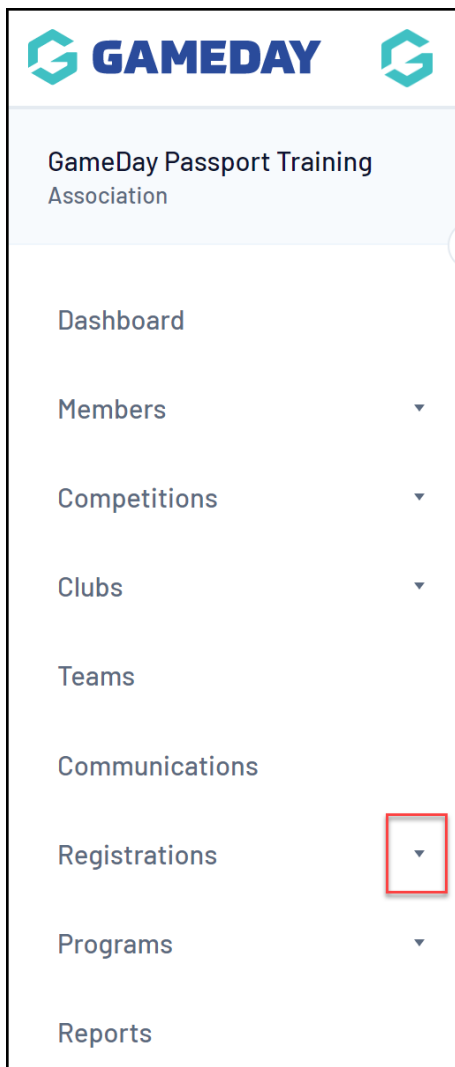

Last Modified on 07/09/2023 1:52 pm AEST

GameDay Passport's **Payment Configuration** section allows you to set up and validate your organisation's banking details.

By setting up your Payment Configuration, you are able to automate the process of receiving settlements from funds that are processed online through our integrated payment gateway.

To access your Payment Configuration:

1. On the left-hand menu, open your **REGISTRATIONS** menu:

2. Click **PAYMENT CONFIGURATION**

## Features

In the Payment Configuration section, you will have access to:

## Payment Configuration

### Your Bank Account Details

GameDay will transfer funds directly to the nominated bank account for your Organisation for online payments transacted via any of the listed payment gateways.

Add Bank Account Details

**1. Add Bank Account Details:** Allows you to nominate a bank account for funds processed through Passport's integrated payment gateway to be settled.

## Bank Account

To modify, change the details in the boxes below. When you have finished, press the 'Update' button.

**Note:** All boxes marked with a \* must be filled in.

Branch Code (BSB)\*

Account Number\*

Account Name\*

**Note:** The terminology and format of your bank details fields may vary depending on your location
