

Financial Settings | Overview

Last Modified on 27/03/2025 1:49 pm AEDT

Overview

GameDay Passport's **Financial Settings** section allows you to set up and validate your organisation's banking details, allowing you to automate the process of receiving settlements from funds that are processed online through our integrated payment gateway.

To access your Financial Settings:

On the left-hand menu, open your Finances menu, then click FINANCIAL SETTINGS

Refund Period

The Refund Period setting determines the number of days after an online transaction that your organisation can issue a refund for an order. Enter the amount of days your organisation wishes to allow (maximum of 365 days)
