

# How do I view the front-end of my Registration Form?

Last Modified on 20/03/2025 4:28 pm AEDT

## Overview

As a GameDay Passport administrator, you can view the front-end version of any form through your Registration Forms list

## Step-by-Step

### Step 1: Go to your Registration Forms list

In the left-hand menu, go to **Registrations > REGISTRATIONS FORMS**

A screenshot of the GameDay Passport administrator interface. The left-hand menu is expanded, showing the 'Registrations' section with a red box around 'Registration Forms'. The main content area displays the 'Silverwood Sports Association' details, including a logo, address, and contact information for the President and Administrator. Below this, there are several empty charts for 'Stats' (Members, Players by Gender, Coaches, Umpires, New Members, Members registered via forms) and a 'Get Started' button.

### Step 2: View the relevant form

Find the form you want to open, then click **VIEW**
