

How do I enable a Cup Tied rule for my competition?

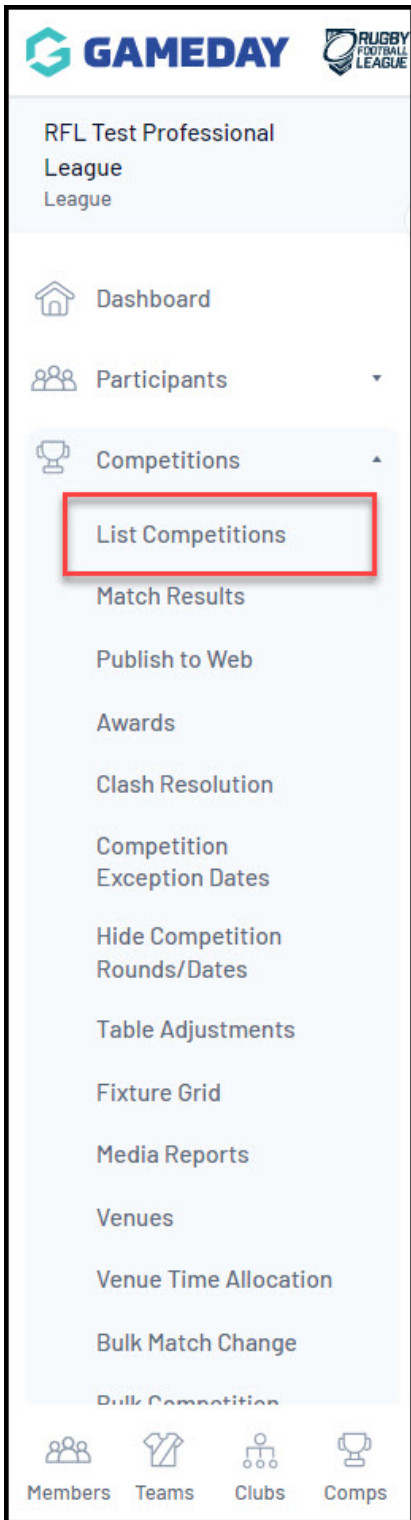

25/09/2025 3:46 pm AEST

Association or League administrators have the option to enforce a **Cup Tied** rule to their competitions, which means that if a player has been transferred between clubs in the same competition, they will not be eligible for selection in the destination club for the rest of that season.

This can only be applied to players transferred between clubs within the same competition.

To activate the Cup Tied rule for a competition:

1. In the left-hand menu, open the **Competitions** menu > Click **LIST COMPETITIONS**

2. VIEW the competition

The image shows the 'Competitions in League' table. The table has columns: Name, Competition, Amount of Te..., Abbreviation, Season, Grouping, Age Group, Contact, Status, and Upload. The first row is 'Friendlies' with a red box around the edit icon. There are also filter buttons for 'Showing Name Including', 'Season', 'Age Group', and 'Status'.
