Pre-Game Features

Your Pre Game screen offers a number of actions, including:

The screenshot shows a match management interface. At the top, there are tabs for 'Pre Game', 'At Game', and 'Post Game'. A 'Reset Match' button is in the top right. A summary box on the right shows '2023/24 Summer Competition' on '01/01/24 07:00' with counts for 'League Officials' (0), 'Bears Seniors' (0 Officials, 0 Players), and 'Demons' (0 Players, 0 Officials). Below the tabs are 'Bears Seniors', 'Demons', and 'Match Officials' buttons. A 'Save Team Selection' button is on the right. The main area is split into 'Available Players' and 'Selected Players'. The 'Available Players' list includes: Cox, Christian (06/05/1982), Evans, Rhona (17/06/2001), Floyd, Zia (10/01/1981), Harrell, Donna (09/05/1994), Herman, Madison (03/03/2007), and Huber, Buck (09/02/1987). The 'Selected Players' list includes: Bailey, Colton (12, Backs (B)), Burt, Eric (21, Half Backs (HB)), and Chase, Porter (24, Backs (B)). A filter bar and an 'Auto Select Players' dropdown are also visible.

1. **Team Select:** Choose to view players for the Home Team, Away Team or allocate Match Officials.
2. **Available Players List:** A list of all registered Club members that are eligible to be selected in the match.
3. **Select Player:** Select a member to participate in the match.
4. **Selected Players List:** A list of players that you have selected for this match.
5. **Player Number:** View or edit individual player numbers for the match.
6. **Player Position:** View or edit individual player positions for the match.
7. **Remove Player:** Remove a member from participating in the match.
8. **Auto Select Players:** Automatically move members to the Selected Players list based on:
 - Players that played in this team's previous match in the competition
 - All players registered to this team
9. **Settings:** Configure general settings including:
 - **Team Audit Log:** Access a log of changes made to the match
 - **Edit Club Default Player Number:** Allows you to assign default player numbers to individual players within the club.
 - **Club Role Maintenance:** Allows you to assign Roles to specific members within the club, such as Runner, Physio, Equipment Manager etc.
 - **Edit Team Default Player Number:** Allows you to assign default player numbers to individual players within the team.
 - **Player Roles:** Allows you to assign Player Roles to individual members, such as Captain and Vice Captain.
 - **Player Positions Report:** Allows you to run a quick report including all Player Positions.

Note: Club and Player Roles are typically defined as part of you sport's onboarding process. If you would like to

customise your available Roles, please speak with your governing body or GameDay representative.

10. Print Team Sheet: Generate and print a team sheet including all Selected Players.

Note: Team Sheets are typically designed as part of your sport's onboarding process. If you would like to customise the design or content that feeds into your Team Sheets, please speak with your governing body or GameDay representative.

11. Save Team Selection: Save the selected players for this team.

12. Reset Match: Reset all match results, statistics and player selections entered.

The screenshot shows the 'Team Officials' section of a software interface. At the top right, there are two buttons: 'Auto Select Officials' (labeled 15) and 'Save Officials' (labeled 16). Below these buttons is a text instruction: 'Temporary assignments apply only when you cannot find the correct officials name in the drop box below. Please check before applying temporary assignments.' The main part of the interface is a table with four columns: 'Group', 'Appointment', 'Member', and 'Temporary Assignment'. The 'Group' column contains 'Team Staff' for all rows. The 'Appointment' column lists various roles: Scorer, Timekeeper, Physio, Runner (three times), Coach, and Assistant Coach (two times). The 'Member' column contains a dropdown menu labeled 'Select Team Official' (labeled 13) for each row. The 'Temporary Assignment' column contains a text input field (labeled 14) for each row.

Group	Appointment	Member	Temporary Assignment
Team Staff	Scorer	Select Team Official	
Team Staff	Timekeeper	Select Team Official	
Team Staff	Physio	Select Team Official	
Team Staff	Runner	Select Team Official	
Team Staff	Runner	Select Team Official	
Team Staff	Runner	Select Team Official	
Team Staff	Coach	Select Team Official	
Team Staff	Assistant Coach	Select Team Official	
Team Staff	Assistant Coach	Select Team Official	

13. Select Team Official: Select a club member as an official for the team.

14. Temporary Team Official Assignment: Manually enter the name of a temporary official assignment.

15. Auto-Select Officials: Automatically select team officials based on:

- All Default Team Staff
- All Team Staff from the last match in the competition

16. Save Officials: Save your Team Official selections.
