

Pre Game Match Results | Overview (Desktop)

03/06/2026 2:45 pm AEST

Overview

GameDay Passport's Pre-Game Portal feature allows competition administrators at Association, Club and Team level to prepare for a given match using a range of features including:

- Selecting Players
- Printing Team Sheets
- Allocating Team Staff
- Allocating Match Officials
- Assigning Player Positions and Numbers
- Assigning Club Roles and Player Roles

Accessing Your Pre-Game Portal

To access the Pre Game feature for a given match:

Login to your Passport account and click **RESULTS ENTRY AND LIVE SCORING**.

Pre-Game Features

Your Pre Game screen offers a number of actions, including:

The screenshot shows the Pre-Game interface for a match between Steel City Rovers Juniors and Bears Juniors. The interface includes a match overview section at the top right, a team selection section at the top, and a main player selection area. Numbered callouts (1-11) point to specific features: 1. Team Select (Home/Away/Officials tabs); 2. Available Players List; 3. Select Player (+ icon); 4. Selected Players List; 5. Check In Player button; 6. Check In checkbox; 7. Player Number input; 8. Save Team Selection button; 9. Settings gear icon; 10. Print icon; 11. Match Officials tab.

- 1. Team Select:** Choose to view players for the Home Team, Away Team or allocate Match Officials.
- 2. Available Players List:** A list of all registered Club members that are eligible to be selected in the match.
- 3. Select Player:** Select a member to participate in the match.
- 4. Selected Players List:** A list of players that you have selected for this match.

5. Player Number: View or edit individual player numbers for the match.

6. Player Check In: List member as "Checked In" for match attendance

7. Remove Player: Remove a member from participating in the match.

8. Auto Select Players: Automatically move members to the Selected Players list based on:

- Players that played in this team's previous match in the competition
- All players registered to this team

9. Settings: Configure general settings including:

- **Team Audit Log:** Access a log of changes made to the match
- **Edit Club Default Player Number:** Allows you to assign default player numbers to individual players within the club.
- **Club Role Maintenance:** Allows you to assign Roles to specific members within the club, such as Runner, Physio, Equipment Manager etc.
- **Edit Team Default Player Number:** Allows you to assign default player numbers to individual players within the team.
- **Player Roles:** Allows you to assign Player Roles to individual members, such as Captain and Vice Captain.
- **Player Positions Report:** Allows you to run a quick report including all Player Positions.

Note: Club and Player Roles are typically defined as part of your sport's onboarding process. If you would like to customise your available Roles, please speak with your governing body or GameDay representative.

10. Print Team Sheet: Generate and print a team sheet including all Selected Players.

Note: Team Sheets are typically designed as part of your sport's onboarding process. If you would like to customise the design or content that feeds into your Team Sheets, please speak with your governing body or GameDay representative.

11. Save Team Selection: Save the selected players for this team.

12. Reset Match: Reset all match results, statistics and player selections entered.
