

How do I access my unique QR code through my Member Profile?

Last Modified on 11/02/2025 7:55 am AEDT

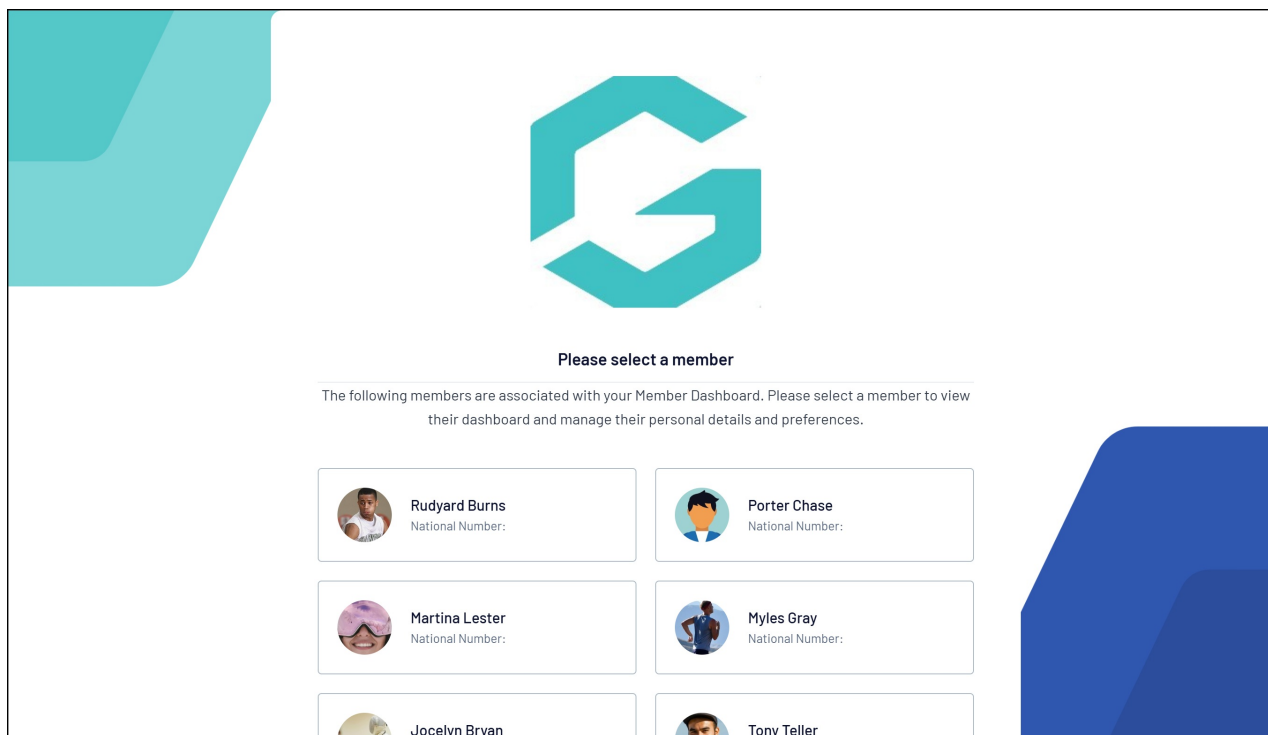

GameDay Passport includes a QR Code scanning functionality to enable players to scan into matches to mark attendance.

Members can access their unique QR Codes through their Member Profile using the steps below:

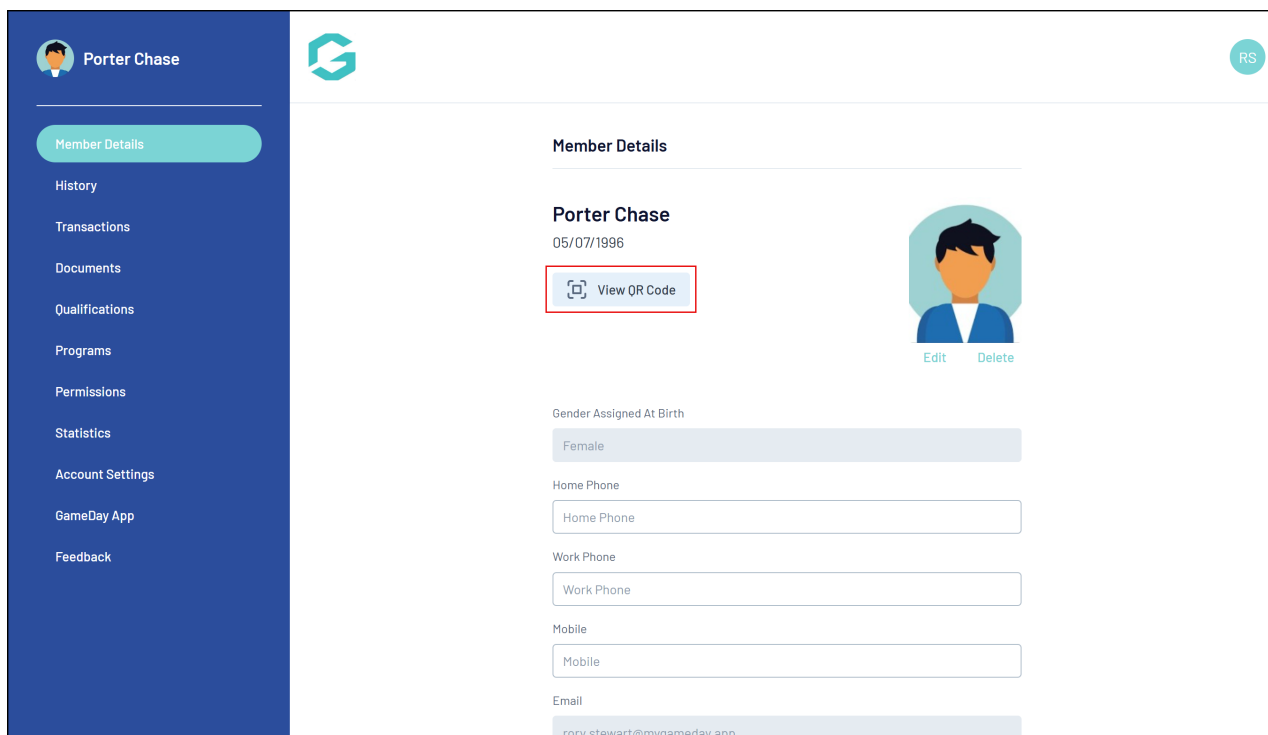

1. Login to your Member Profile

A screenshot of the GameDay Member Profile login page. The page has a white background with teal and blue decorative shapes on the left and right sides. In the center, there is a large teal 'G' logo. Below the logo, the text 'Login to Member Profile' is displayed. Underneath, there are two input fields: 'Email Address' and 'Password'. The 'Password' field has a 'SHOW' button to its right. Below the 'Password' field is a link that says 'Forgot?'. At the bottom of the login section is a teal 'Login' button. Below the button, there is a small line of text: 'By clicking Login, you agree to the GameDay [Privacy Policy](#)'.

2. Select your name from the list of members.

3. Click the **VIEW QR CODE** button.

You can then use this QR Code to scan your attendance at matches, or download the QR Code to save to your chosen device.
