How do I view my transaction history through my Member Profile?

Last Modified on 11/02/2025 9:04 am AEDT

As a member, you can check your transaction history using your unique **Member Profile** following the steps below.

For assistance in finding and logging into your Member Profile, click [here](#).

1. Use your email address and password to login to your Member Profile. These should be the same credentials as you used to complete your registration.

Note: Depending on your sport, your member profile may be branded differently to the below example

Login to Member Profile

Email
Email Address

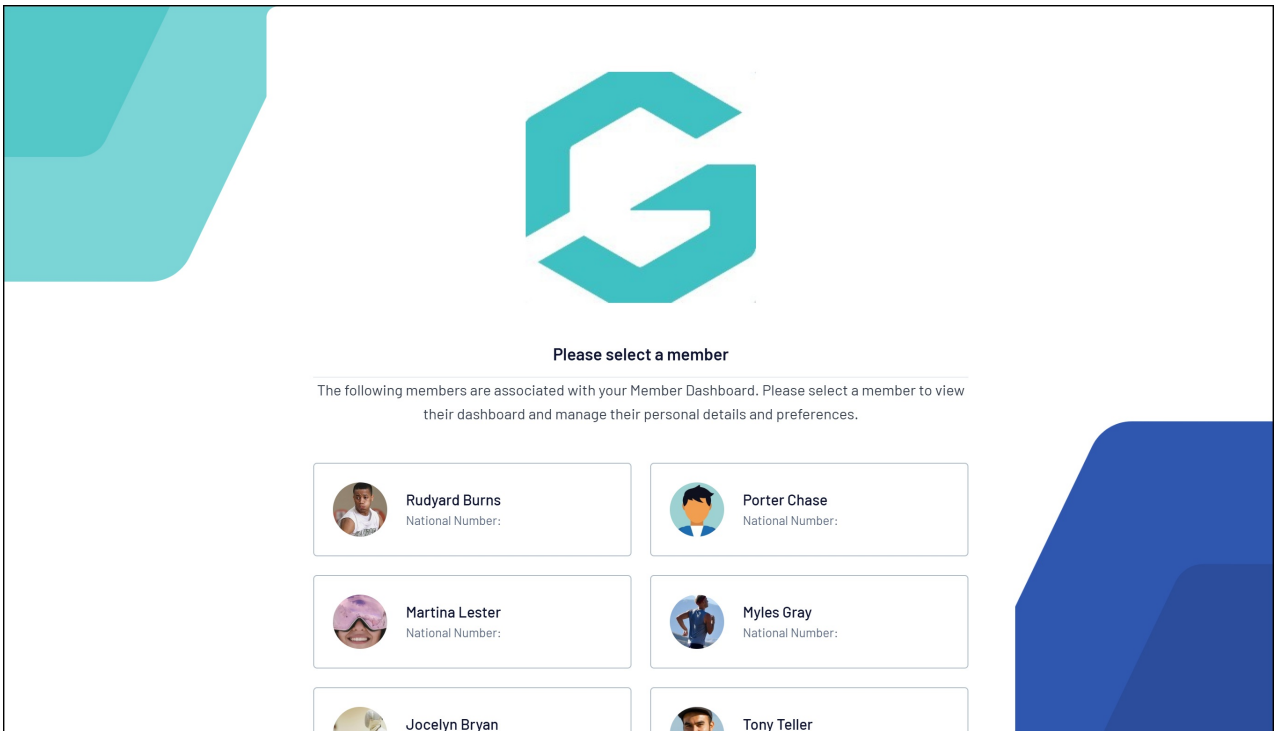

Password
Password [SHOW](#)

[Forgot?](#)

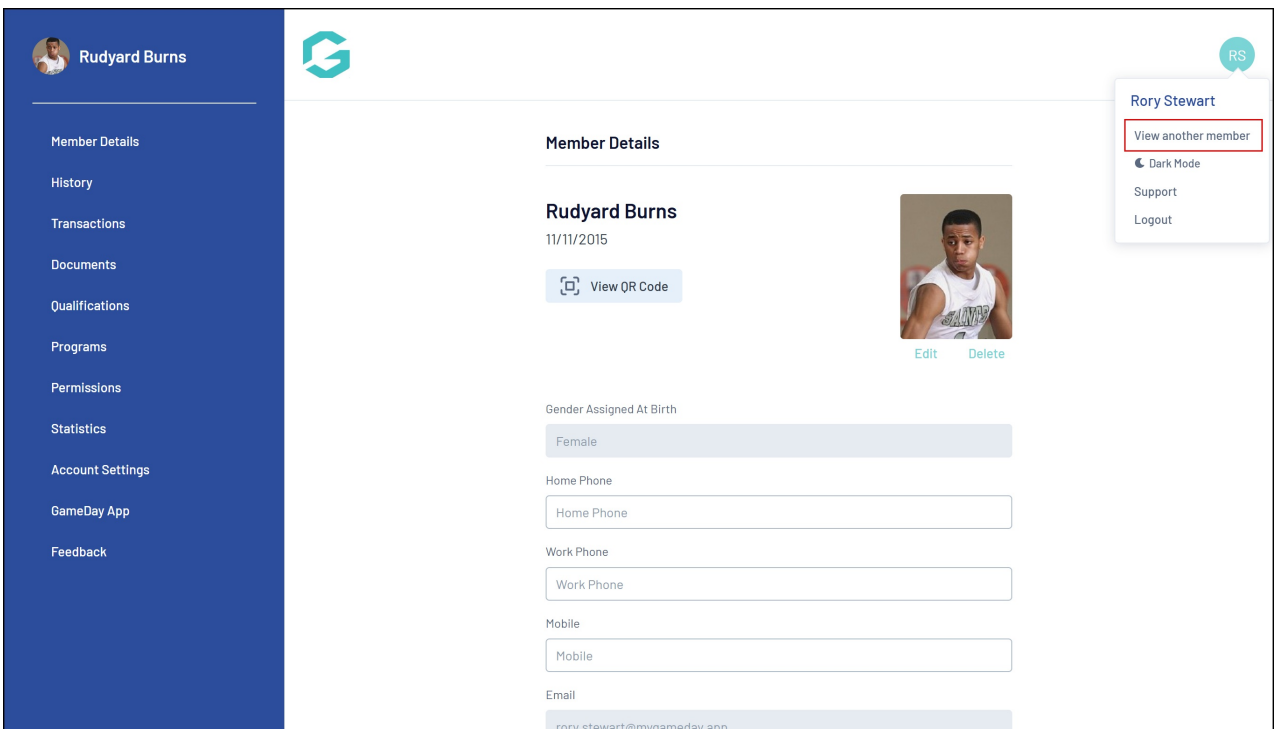

[Login](#)

By clicking Login, you agree to the GameDay [Privacy Policy](#)

2. If your email address is linked to multiple Members, you will be given the option to choose which member dashboard you would like to access. If you have only one member assigned to your profile you will be immediately directed to the profile as per Step 3.

3. Once you have successfully logged in, you can change the member (if linked to multiple) in the top-right hand corner of the page by clicking the **SELECT MEMBER** option.

4. Click **TRANSACTIONS** in the left-hand menu

The screenshot displays a user interface for a member profile. On the left is a dark blue sidebar with a list of navigation items: Member Details, History, Transactions (highlighted with a red box), Documents, Qualifications, Programs, Permissions, Statistics, Account Settings, GameDay App, and Feedback. The main content area is white and features a header with a green 'G' logo and the member's name 'Rudyard Burns' with a profile picture. Below the name is the date '11/11/2015' and a 'View QR Code' button. Further down are input fields for 'Gender Assigned At Birth' (set to 'Female'), 'Home Phone', 'Work Phone', 'Mobile', and 'Email' (set to 'rory.stewart@mvgameday.app'). In the top right corner, there is a user menu for 'Rory Stewart' with options: 'View another member', 'Dark Mode', 'Support', and 'Logout'.

Here you will see a list of any historical transactions you've processed across your playing history including an invoice number, item name, quantity purchased, Association name, amount paid, membership dates and transaction status.
