

How do I upload documents to my Member Profile?

Last Modified on 11/02/2025 7:42 am AEDT

As a member, you can view or upload documents to your record using your unique **Member Profile** by following the steps below.

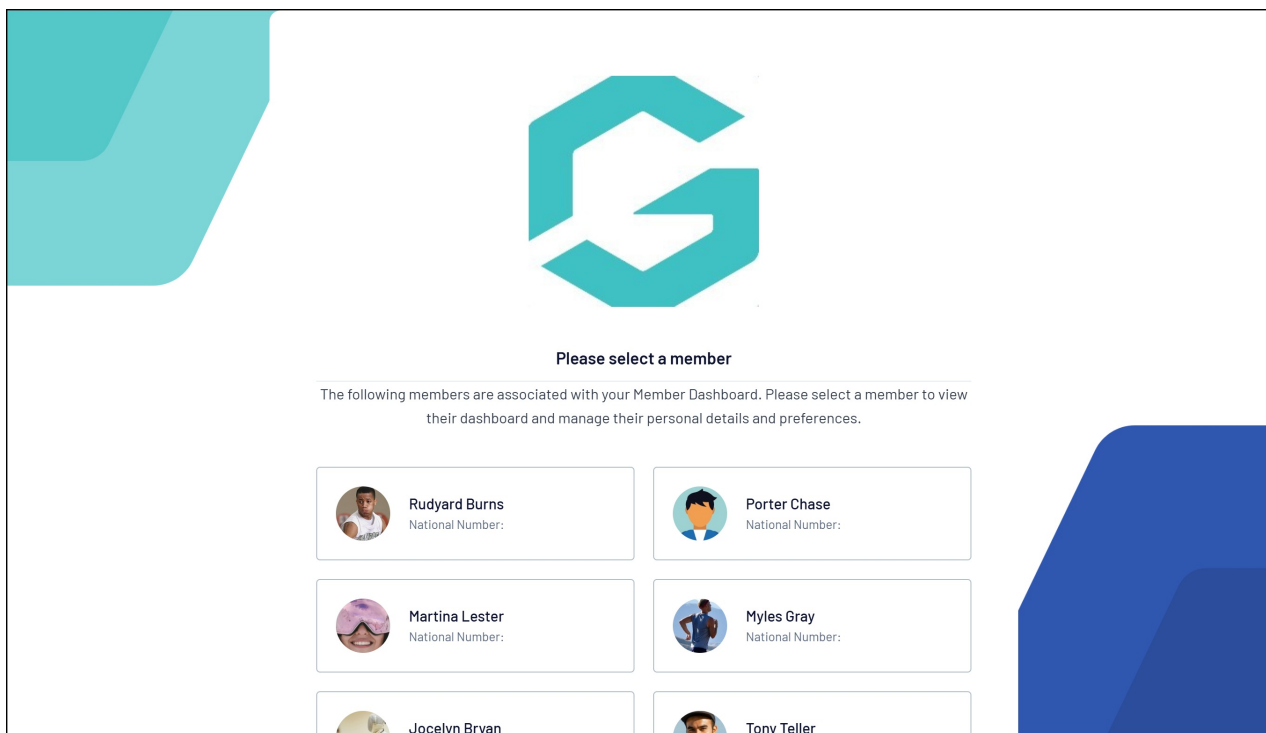

For assistance in finding and logging into your Member Profile, click [here](#).

1. Use your email address and password to login to your Member Profile. These should be the same credentials as you used to complete your registration.

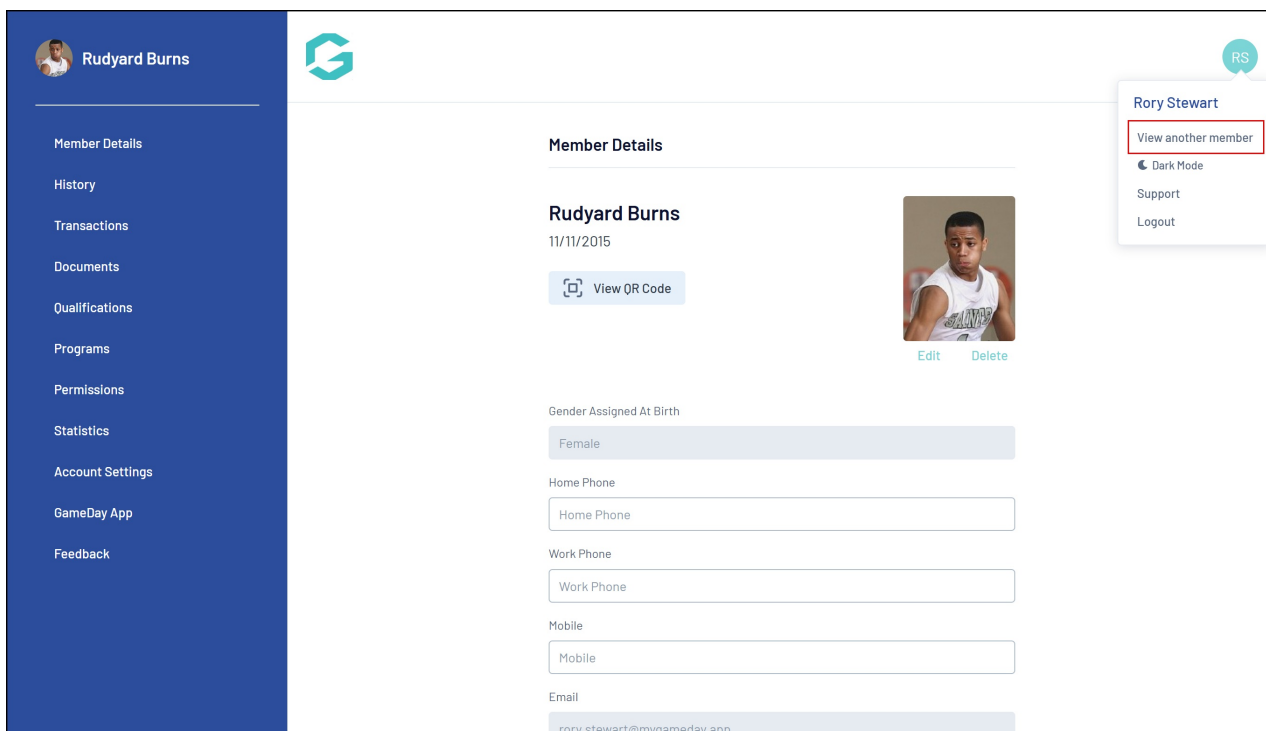

Note: Depending on your sport, your member profile may be branded differently to the below example

A screenshot of the 'Login to Member Profile' page. The page has a white background with teal and blue decorative shapes on the left and right sides. At the top center is the GameDay logo. Below it, the text 'Login to Member Profile' is centered. Underneath are two input fields: 'Email Address' and 'Password'. The 'Password' field has a 'SHOW' button to its right. Below the password field is a link that says 'Forgot?'. At the bottom of the form is a teal 'Login' button. Below the button, in small text, it says 'By clicking Login, you agree to the GameDay [Privacy Policy](#)'.

2. If your email address is linked to multiple Members, you will be given the option to choose which member dashboard you would like to access. If you have only one member assigned to your profile you will be immediately directed to the profile as per Step 3.

3. Once you have successfully logged in, you can change the member (if linked to multiple) in the top-right hand corner of the page by clicking the **VIEW ANOTHER MEMBER** option.

4. Click **DOCUMENTS** in the left-hand menu
