As a registrants in a particular program, you can check your current and previous enrolments using your unique **Member Profile** following the steps below.

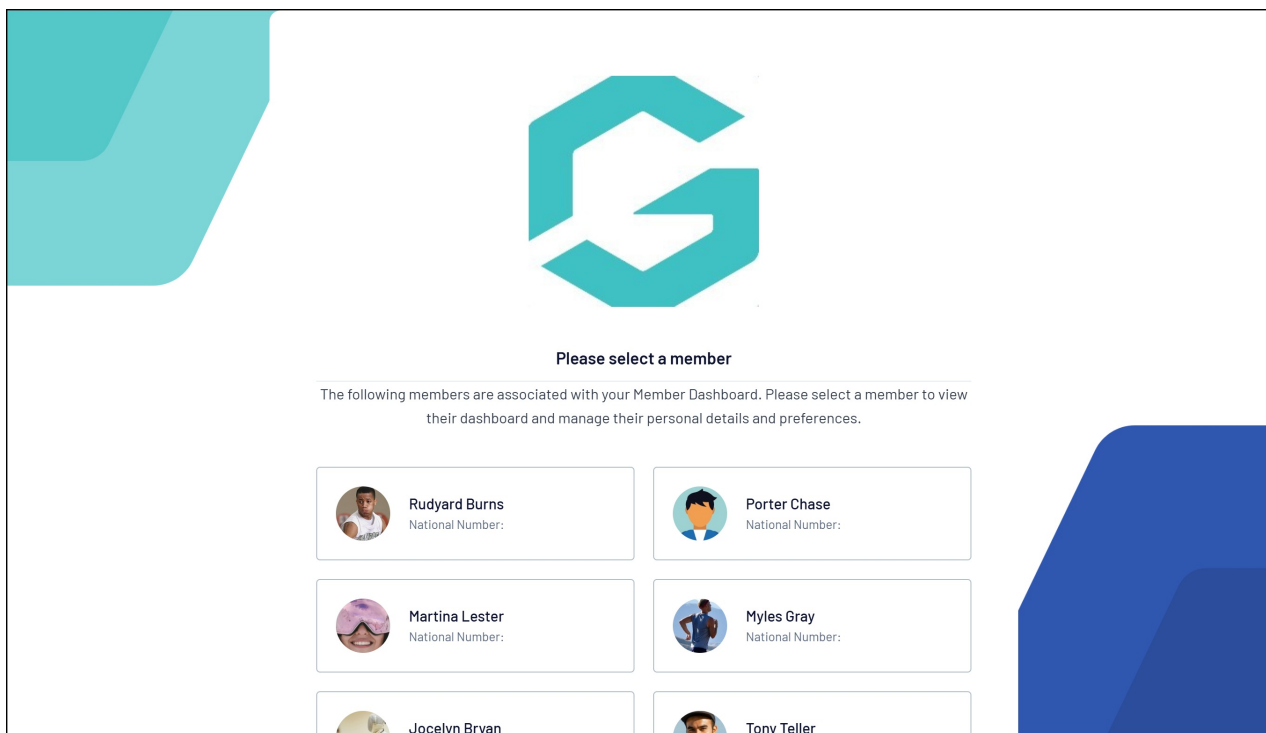

For assistance in finding and logging into your Member Profile, click [here](#).

1. Use your email address and password to login to your Member Profile. These should be the same credentials as you used to complete your registration.

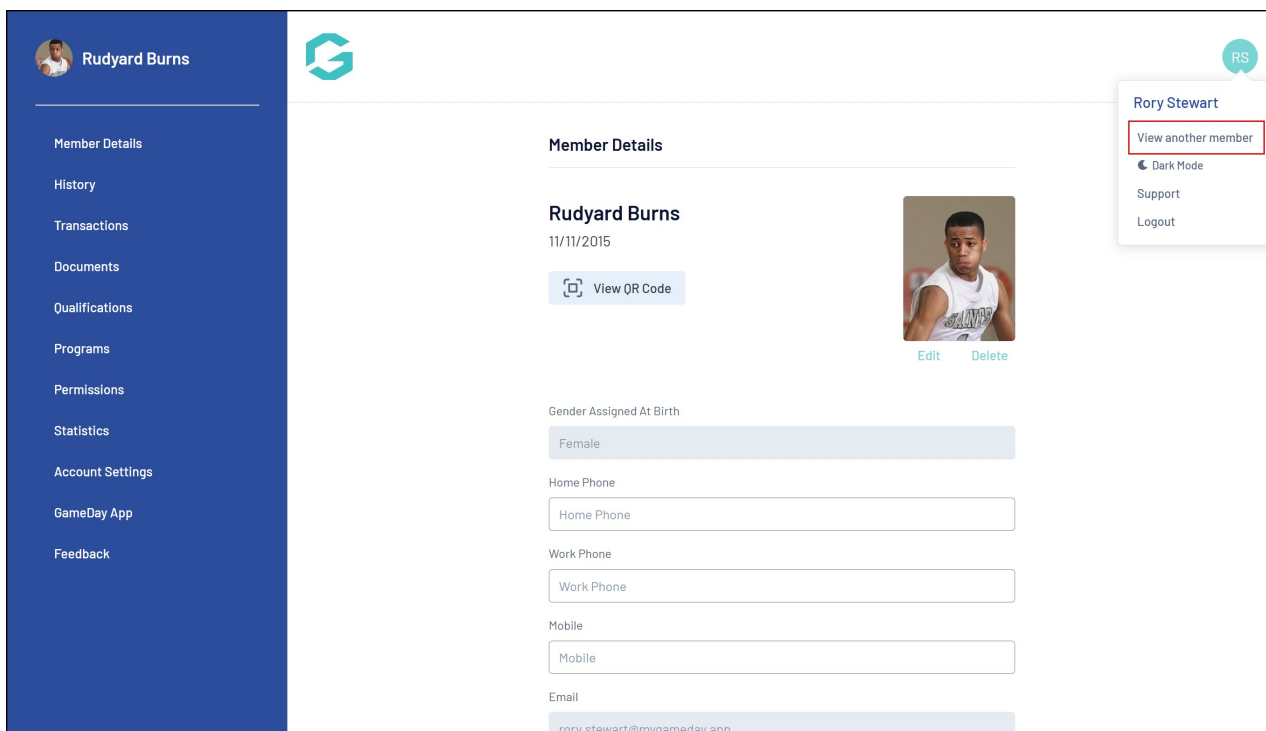

Note: Depending on your sport, your member profile may be branded differently to the below example

A screenshot of the GAMEDAY Member Profile login page. The page features the GAMEDAY logo at the top center. Below the logo is the heading 'Login to Member Profile'. There are two input fields: 'Email Address' and 'Password'. The 'Password' field has a 'SHOW' button next to it. Below the input fields is a 'Login' button. At the bottom, there is a link for 'Forgot?' and a small text line stating 'By clicking Login, you agree to the GameDay Privacy Policy'. The page has a teal and blue color scheme with decorative geometric shapes on the left and right sides.

2. If your email address is linked to multiple Members, you will be given the option to choose which member dashboard you would like to access. If you have only one member assigned to your profile you will be immediately directed to the profile as per Step 3.

3. Once you have successfully logged in, you can change the member (if linked to multiple) in the top-right hand corner of the page by clicking the **VIEW ANOTHER MEMBER** option.

4. Click **PROGRAMS** in the left-hand menu
