As a registrants in a particular program, you can check your current and previous enrolments using your unique **Member Profile** following the steps below.

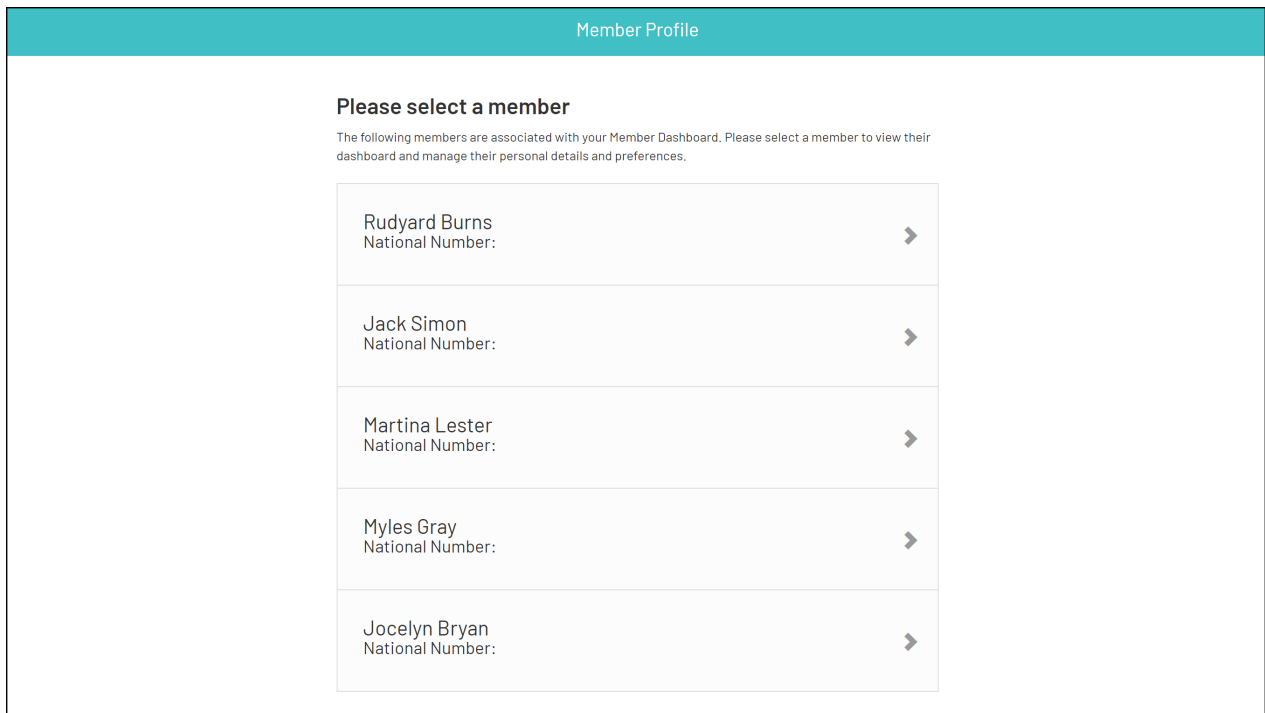

For assistance in finding and logging into your Member Profile, click [here](#).

1. Use your email address and password to login to your Member Profile. These should be the same credentials as you used to complete your registration.

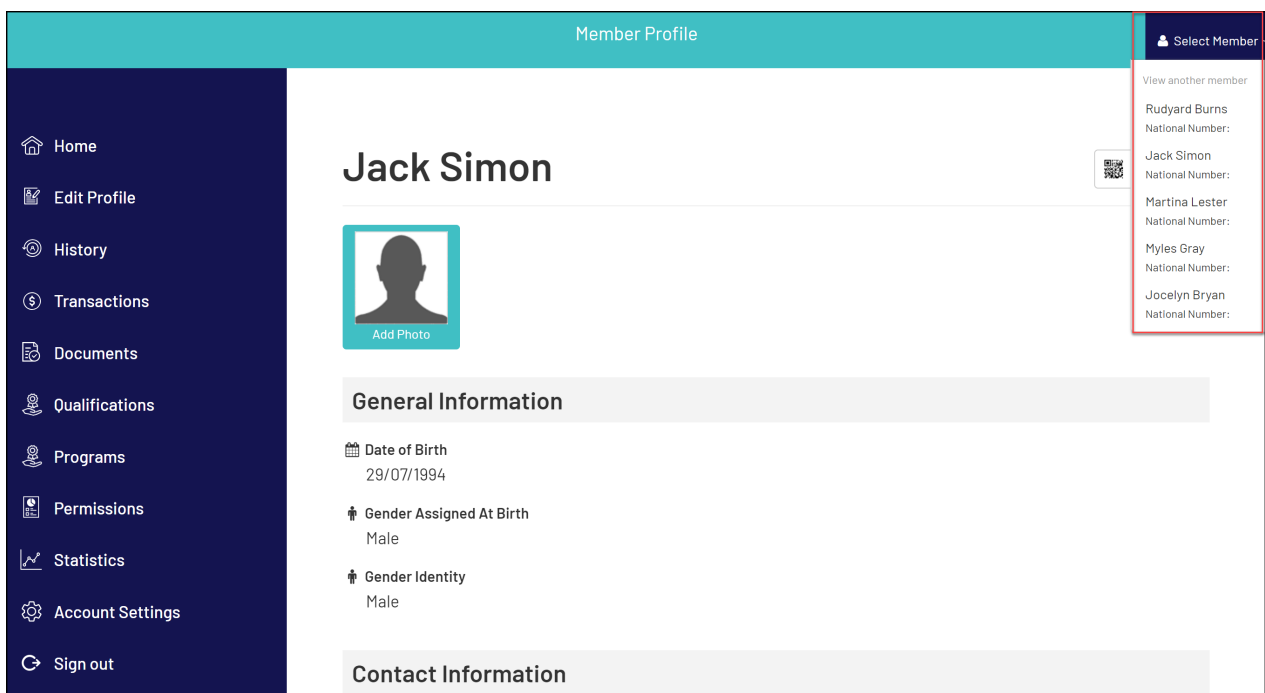

Note: Depending on your sport, your member profile may be branded differently to the below example

A screenshot of a web page titled 'Member Profile'. The page has a teal header bar with the text 'Member Profile'. Below the header, the main content area is white and contains the heading 'Please sign in'. Underneath the heading, there are two input fields: 'Email' with a placeholder 'Email Address' and 'Password' with a placeholder 'Password' and a 'SHOW' button. To the right of the password field is a link that says 'Forgot?'. Below the input fields is a green button labeled 'Sign in'. At the bottom of the page, there is a dark footer bar containing the copyright notice '© Copyright GameDay. All rights reserved. | Privacy Policy' on the left and the GAMEDAY logo on the right.

2. If your email address is linked to multiple Members, you will be given the option to choose which member dashboard you would like to access. If you have only one member assigned to your profile you will be immediately directed to the profile as per Step 3.

3. Once you have successfully logged in, you can change the member (if linked to multiple) in the top-right hand corner of the page by clicking the **SELECT MEMBER** option.

4. Click **PROGRAMS** in the left-hand menu
