As a Passport user, you can access your **Passport Account** at any time to allow you to login to any Membership Databases, Results Entry Portals or Websites to which you've been given access.

To access your Passport Account:

1. Go to www.passport.mygameday.app/login
2. Enter the username and password you created during the [sign up process](#), then click **LOGIN**

A screenshot of the GAMEDAY Passport login page. The page has a teal and blue gradient background. At the top left is the GAMEDAY logo. At the top right are several navigation icons: a home icon, a gear icon, a question mark icon, and an avatar icon. In the center is a white login form. The form contains the GAMEDAY logo and the text 'powered by stackports'. Below this is the heading 'Login to Passport'. There are two input fields: 'Email Address *' with the placeholder 'email@address.com' and 'Password *' with a 'Forgot?' link. A teal 'Login' button is below the password field. Underneath the button is the text 'Don't have an existing Passport account? Please register below.' and a 'Register' button. In the bottom right corner of the form area, there is a 'Privacy - Terms' link with a circular arrow icon.

- Alternatively, if you're already logged into a Passport Membership & Competitions database, click your **Avatar** icon in the top right-hand corner of the screen and click **MY ACCOUNT**.
