Online Learning Portal

13/06/2025 12:26 pm AEST

As a Passport administrator, you can also create an account to access our **Online Learning Portal**, which includes a suite of interactive training modules designed to give you an in-depth understanding of certain features within the platform.

To access the Online Learning Portal:

1. Open your Avatar menu in Passport and click ONLINE LEARNING

2. If you don't have an account for the Online Learning Portal, you can create one by selecting **SIGN UP HERE** and following the prompts to create your account.

	Log in Enter your details to access your training
POWERED BY	Password LOG IN Forgot Password?
etrainu	Don't have an account <mark>? Sign up here</mark>

3. Once you are in the Online Learning Portal, use the TRAINING LIBRARY option in the left-hand menu to access

the training courses.

4. Once you've found a course you'd like to take, click the **ENROL** button.

5. Click **START** to begin the training.
