

How do I enrol in a Program?

Last Modified on 18/04/2024 1:54 pm AEST

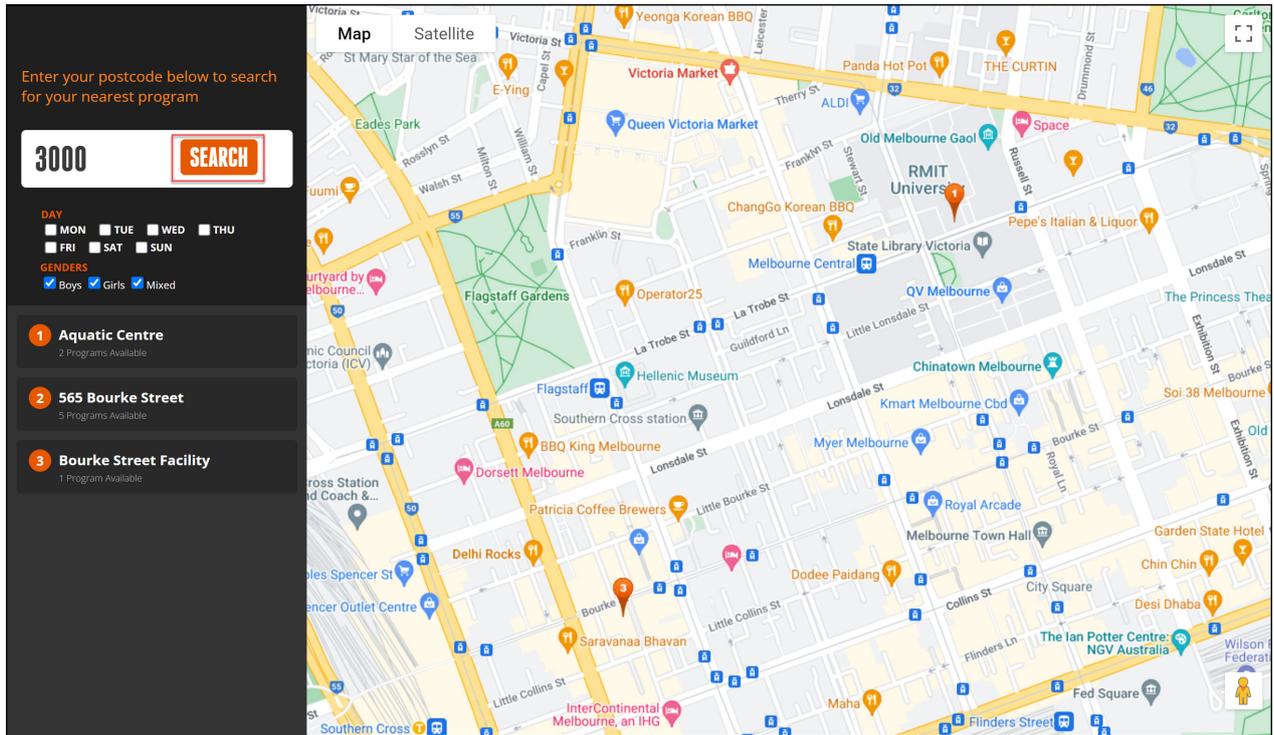

As a participant, you can register/enrol through your sport's Program Finder (if they have one enabled).

To enrol through a Program Finder:

1. Open your sport's Program Finder

Note: If you are unsure if your sport has a Program Finder enabled, please contact your governing body directly. Alternatively, you may find a direct link from a Program providers website.

2. Enter your Postcode or Suburb into the search field provided and click **SEARCH**

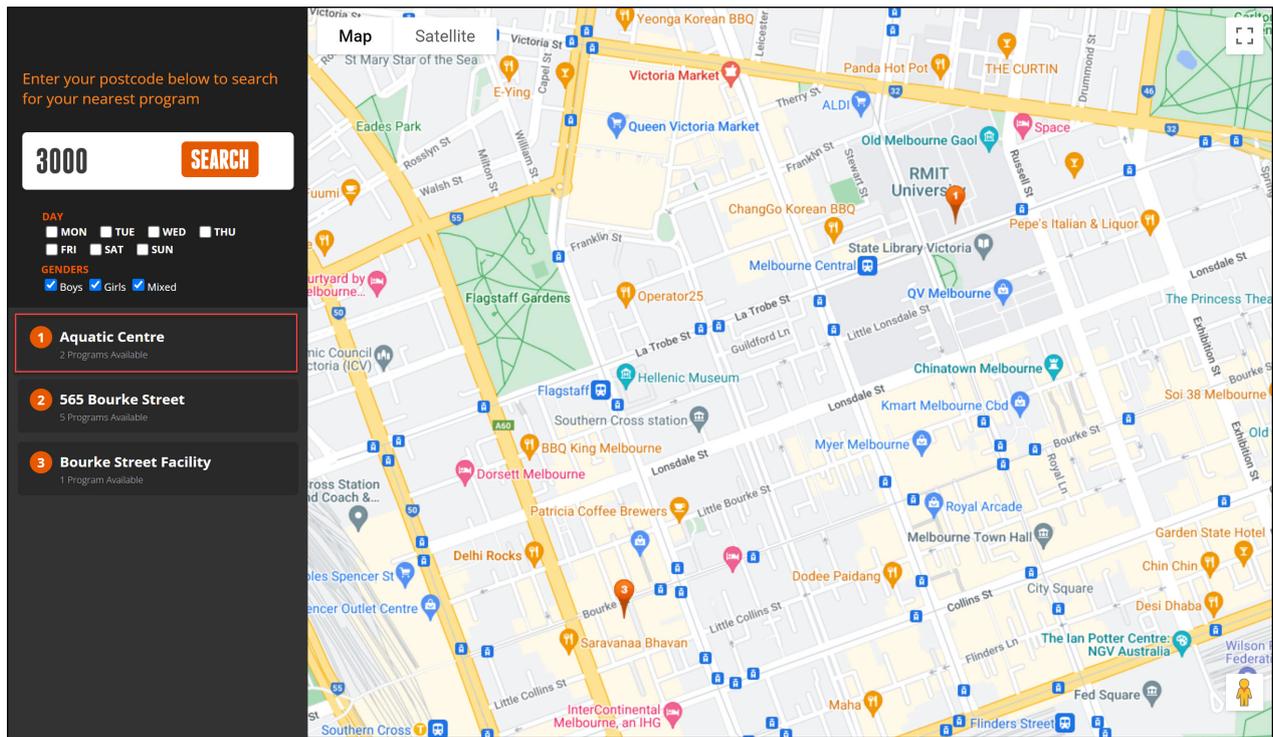

The screenshot displays the GAMEDAY Program Finder interface. On the left, there is a search panel with a text input field containing '3000' and a 'SEARCH' button. Below the search field, there are filters for 'DAY' (MON, TUE, WED, THU, FRI, SAT, SUN) and 'GENDERS' (Boys, Girls, Mixed). A list of three venues is shown:

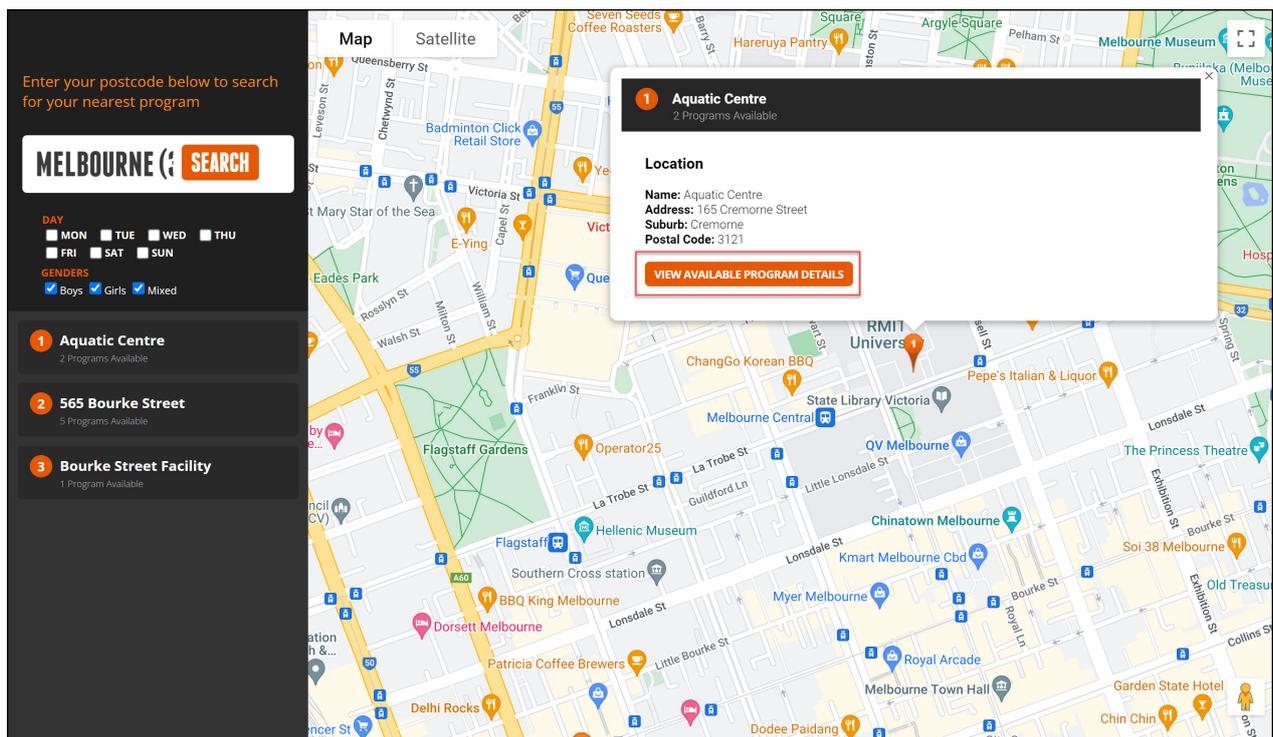

- 1 Aquatic Centre (2 Programs Available)
- 2 565 Bourke Street (5 Programs Available)
- 3 Bourke Street Facility (1 Program Available)

The main area of the screenshot is a map of Melbourne, Australia, showing various locations marked with pins. The map includes labels for streets like Victoria St, La Trobe St, and Bourke St, and landmarks such as Victoria Market, RMIT University, and Southern Cross station.

3. Select an appropriate Venue from the list - the venues listed will also display how many active programs are available

4. Once you select a Venue, a pin will appear on the map confirming the venue location. Click **VIEW AVAILABLE PROGRAM DETAILS**

5. The Venue's available Programs will be displayed, including the contact details, date and time, and pricing information of each program. Click the **REGISTER** button to open the registration form for the applicable program.

Note: If a program has reached it's capacity, you may still be able to register your interest through this method
