GameDay Passport's **Resource Centre** allows all users to embark on their own self-paced learning journey entirely within the platform using a series of onboarding guides covering key features, as well as a round-up of recent releases to keep users up to date with what's happening in the platform.

The Resource Centre can be found in the bottom-right corner of the page:

The screenshot displays the Resource Centre interface. It features a top section with a logo, an 'Add/Edit Logo' button, and a 'Details' section with contact information. Below this is a 'Contacts' section listing roles like President, Vice President, Treasurer, and Secretary with their respective names and contact details. The bottom section is titled 'Stats' and contains three empty charts: 'Members', 'Players by Gender', and 'Players'. A red arrow points to a question mark icon in the bottom right corner of the stats area.

By opening the Resource Centre, you will instantly gain access to a suite of onboarding guides grouped according to the key menu items in the left-hand side of the page.

The table has two columns, each with values 0.6 and 0.8. A blue question mark icon is visible in the bottom right corner of the dashboard area.

In the foreground, a 'GameDay Passport Resource Centre' overlay is open. It has a title bar with a close button (X) and a search icon. The overlay contains a list of onboarding guides:
