As a Schedula user, adding an **Attribute** to your profile allows you to provide additional information to your Official record, including any Medical Conditions, Accreditations, and Occupation, and it also allows you to nominate the bank account into which you want to receive your official payments.

To add a new Attribute to your Schedula profile:

1. Open the menu using the Burger icon, then click **Schedula Profile** > **MANAGE YOUR PROFILE**

2. Scroll down to the **Attributes** section, then click **ADD ATTRIBUTE**
