

## How do I reset my Schedula password?

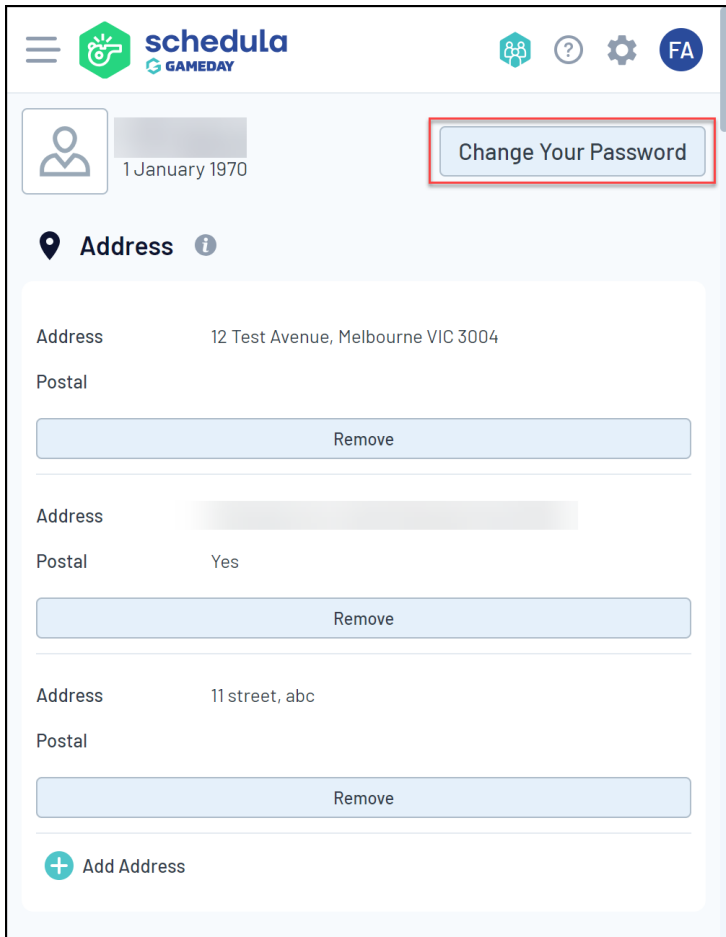

Last Modified on 02/04/2024 11:55 am AEDT

As a Schedula user, you can update your password within the Schedula interface by following the steps below:

1. Open the menu using the Burger icon, then, click **Schedula Profile > MANAGE YOUR PROFILE**

2. At the top of the page, click **CHANGE YOUR PASSWORD**

3. Enter your **Current Password**, **New Password** and **Confirm your New Password**, then click **CHANGE PASSWORD**

**Your new password should meet the following security conditions:**

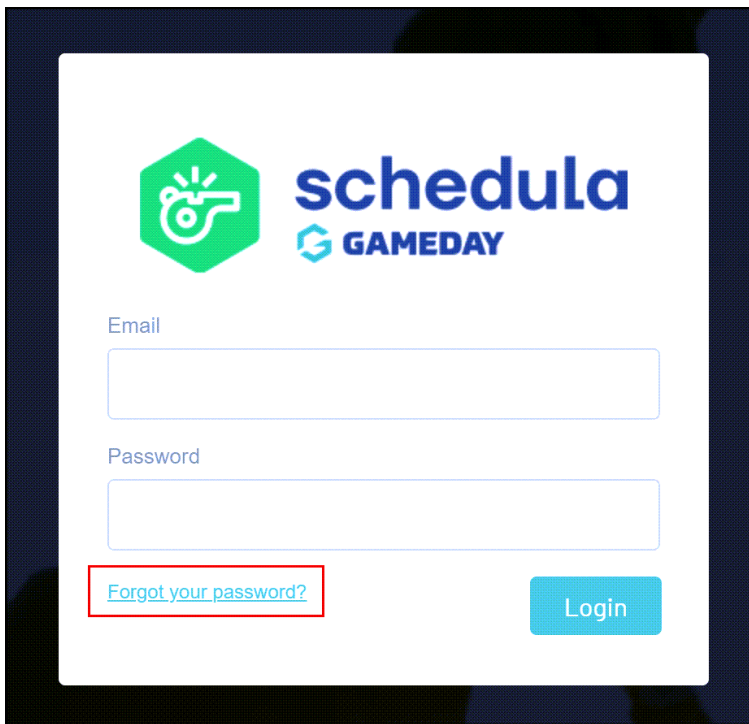

- It must be at least eight characters long
- It must contain at least one number (0-9)
- It must contain at least one upper case alphabetic character (A-Z)

**Examples of good passwords are:**

- Str0ng11
- Pa\$\$-W0rd

Your password can have special characters (such as @, #, % etc.), but is not required.

Alternatively, you can reset your password on the Schedule Login page using the **FORGOT YOUR PASSWORD?** link:

Then entering your details and clicking **RECOVER PASSWORD**

**Forgot Your Password**

Use this page to recover your lost password. Fill in the details on this screen and a new password will be sent to your registered email address.
