How do I search for teams in the GameDay App?

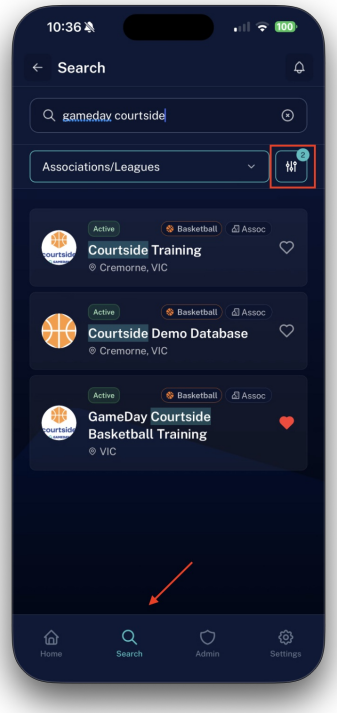

17/01/2024 3:39 pm AEDT

HOW DO I SEARCH FOR A TEAM?

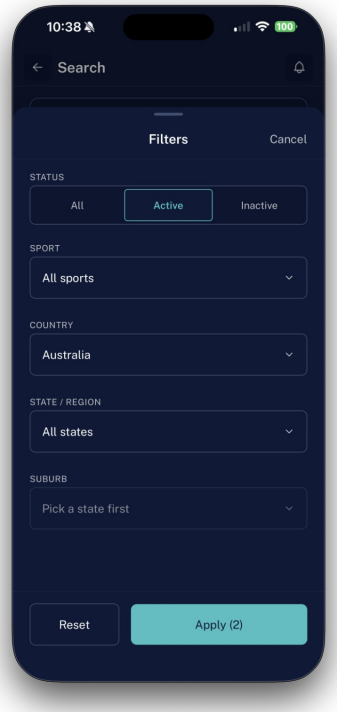

You can follow a team by clicking the **SEARCH** icon located at the bottom of the screen.

This will take you to the search screen where you can search for your team.

We recommend filtering this search via **sport** first, as this will narrow down the search area; leaving this unfiltered will bring in all teams within all sports that are on our Passport system. To filter, click the **FILTER** icon in the top right-hand corner, then select the relevant **sport** > **All Sports**.

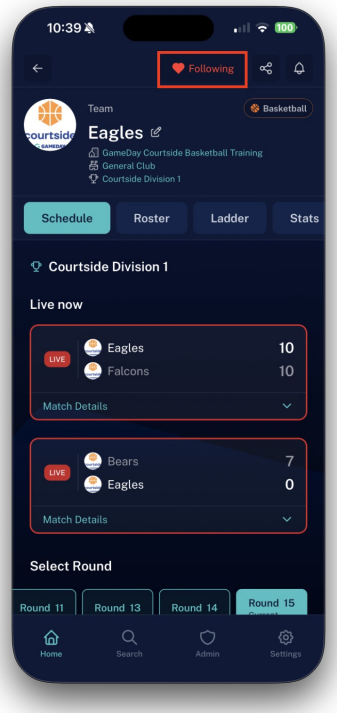

Note: Below is a list of available search filters
- Status
- Sport
- Country
- Region/State
- Suburb

HOW DO I FOLLOW/UNFOLLOW A TEAM?

By clicking into one of your teams, this will take you to the ''team homepage'' where you can view the team schedule, ladder and statistics related to this team within the relevant competition.

To **FOLLOW** your team, click the **Heart** Icon in the right-hand corner. This will update the button to display as **Following**

To **UNFOLLOW** a team, within this team homepage, click the **Following icon (Red Heart icon)** in the right-hand corner.

The Follow icon will turn grey to indicate that this team is no longer being followed by this account.

MANAGE FOLLOW LIST

Under the settings tab, users can select the Following option to view a list of all sporting entities that they follow on their account.

From this page, users can filter between the entity types and unfollow teams by clicking on the Red Heart icon next to each item
