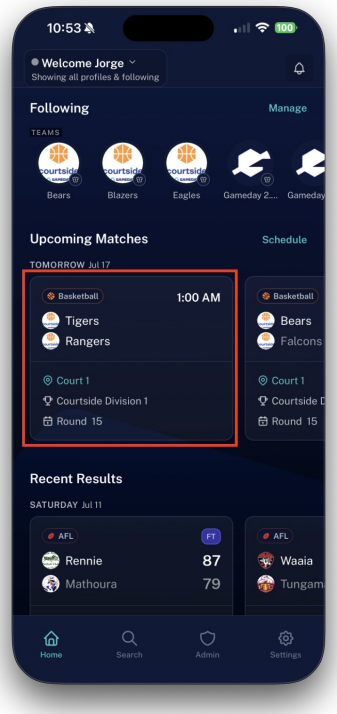
How do I view a competition ladder in the GameDay App?

17/01/2024 3:41 pm AEDT

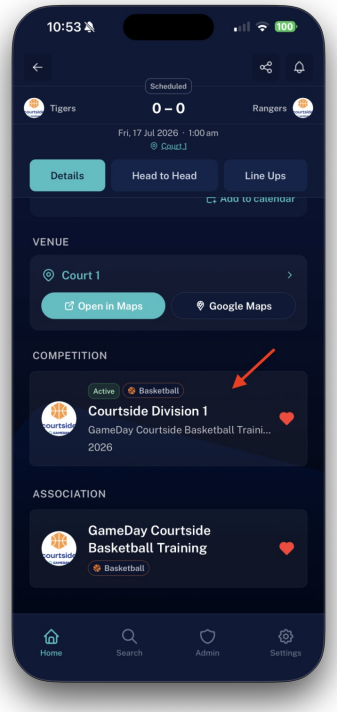
The ladder for the competition can be viewed via:

AN INDIVIDUAL MATCH:

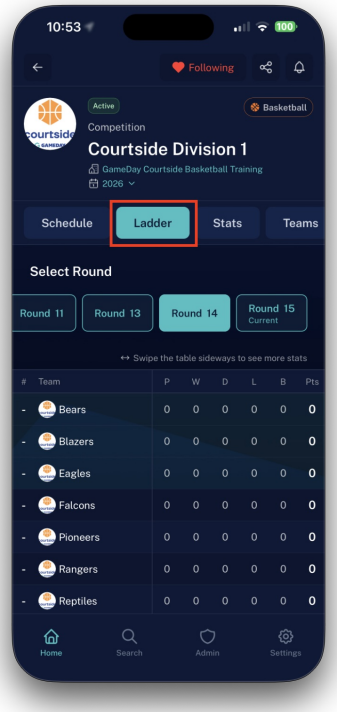
1. On the **home** tab, click into an upcoming match.



2. Scroll down to the competition section and click on the competition tile



3. Click on the **Ladder** tab.



Swipe the table across to review additional ladder fields.

NOTE: If you find the ladder incorrect, please contact your competition administrators directly, as they can check and update this if needed.
