

## How do I view a GameDay View widget as a table?

Last Modified on 07/05/2024 3:04 pm AEST

With GameDay View, administrators can see a breakdown of a specific visual insight widget by following the steps below:

Note: This feature is not available for all widgets

1. In the left-hand menu, select **GameDay View > GAMEDAY VIEW INSIGHTS** 

	30	GAMEDAY	G
GameDay Passport Training State			
			C
		Dashboard	
	°E°	Associations	
	\$	Finances	•
	åå ↔→	Clearances	•
		Courses	•
		Registrations	
	288	Member Profile Portal	
	G	Reports	
		GameDay View	
	GameDay View - Insights (v3)		

2. Right-click the applicable widget and select **SHOW AS A TABLE** 

This will open the report in a new view, with a table provided below which includes the underlying data that makes up that widget:
