# How do I edit my Stripe application?

29/05/2025 10:25 am AEST

## Overview

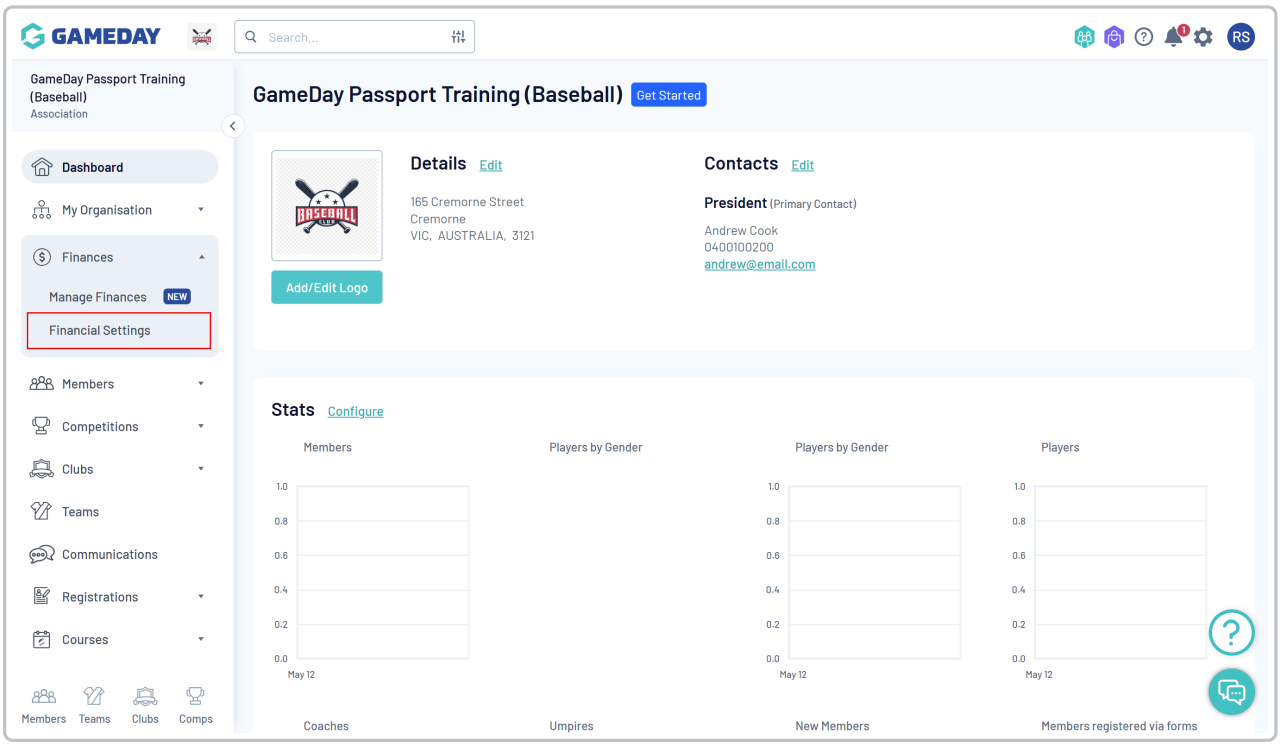

If you have completed your organisation's Stripe setup through Passport, you can go back and edit your **Financial Settings** at any stage using the mobile number you used to authenticate your Stripe account upon setup.

---

## Step-by-Step

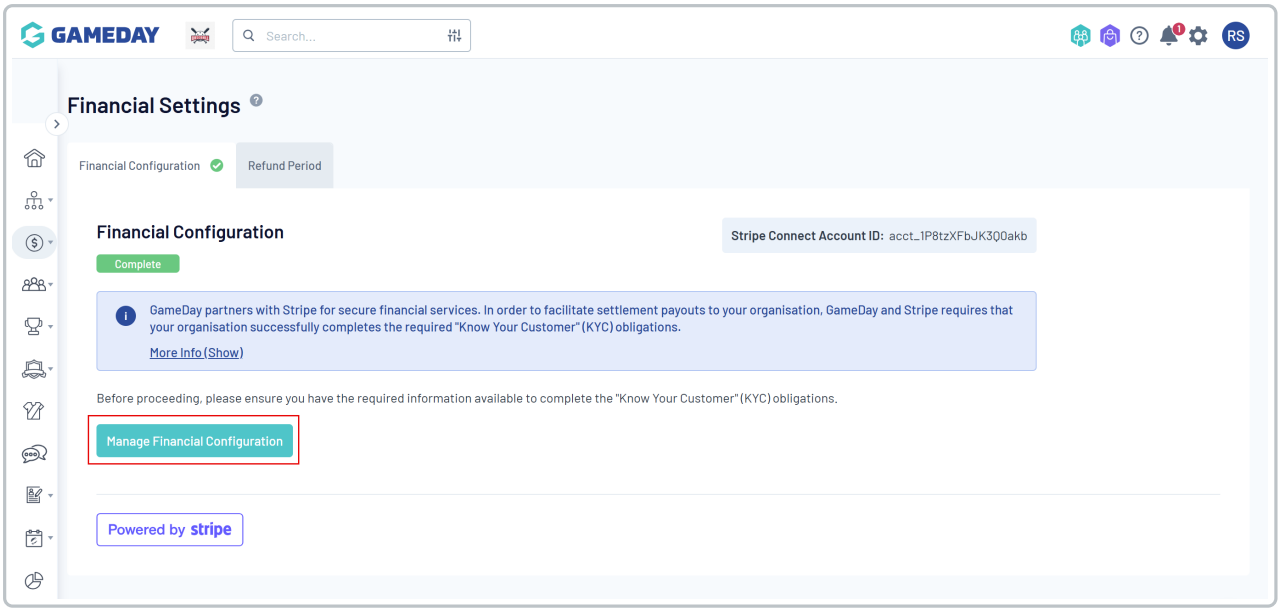

### Step 1: Navigate to the Financial Settings section

In the left-hand menu, click **Finances** > **FINANCIAL SETTINGS**

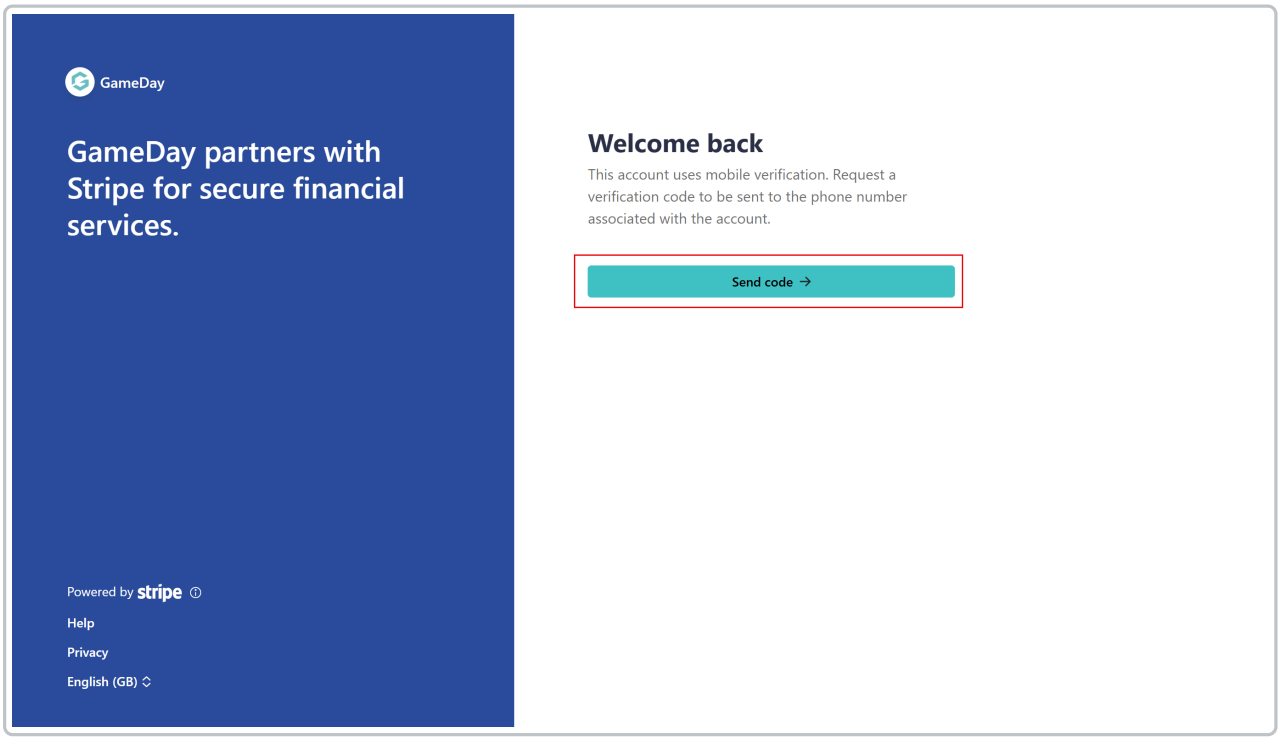

### Step 2: Open your Stripe account

If you have a **Complete** application, you can use the **MANAGE FINANCIAL CONFIGURATION** button to open your Stripe account and edit your details

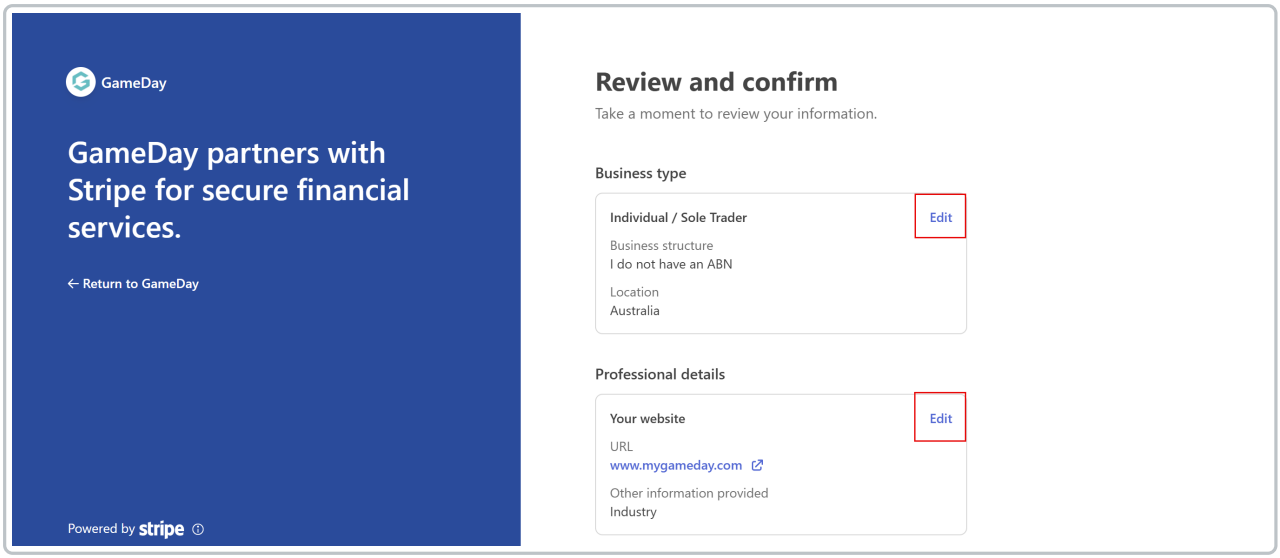

### Step 3: Verify yourself in Stripe

Click the **SEND CODE** button and use the mobile number you used to authenticate the account to verify that you are the financial authoriser of the organisation

### Step 4: Edit and save your account details

Use the **EDIT** buttons to update any relevant information from your application, then save your changes
