

# How do I edit my bank account details through Stripe?

29/05/2025 10:32 am AEST

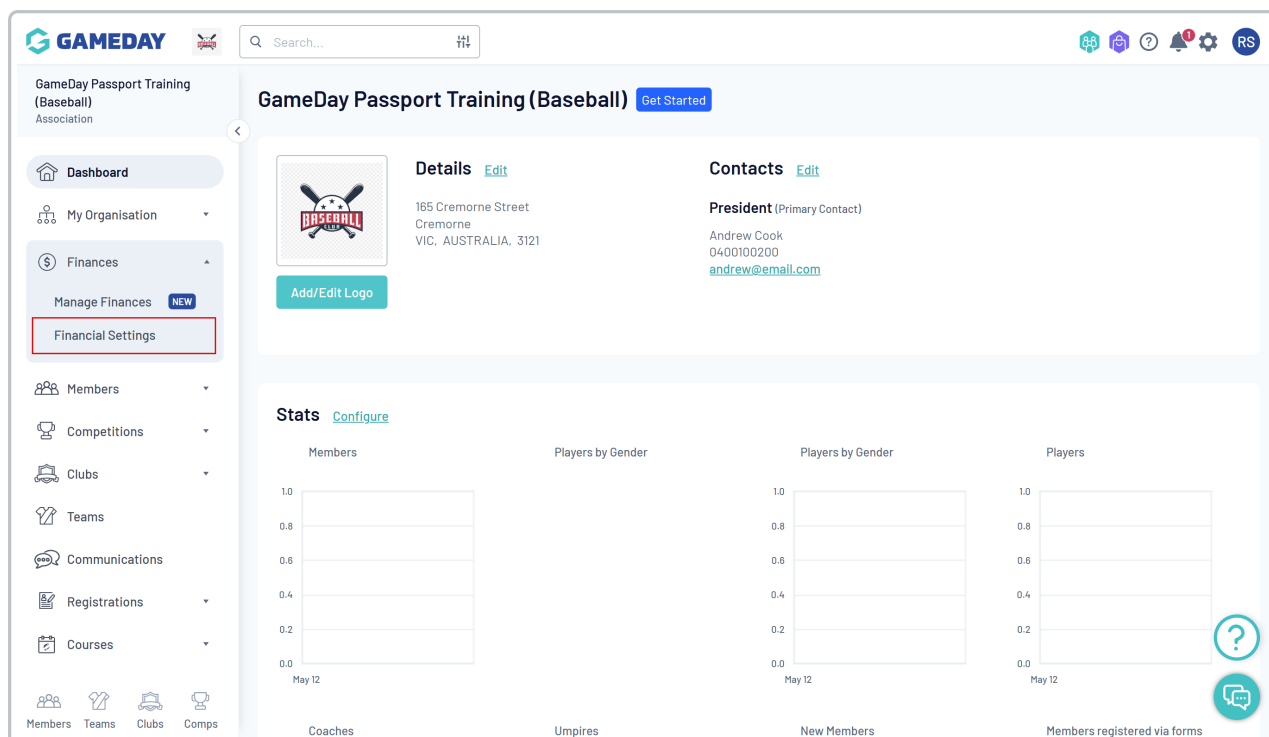

## Overview

If you have completed your organisation's [Stripe setup](#) through Passport, you can go back and edit your Financial Settings - including your nominated bank account - at any stage using the mobile number you used to authenticate your Stripe account upon setup.

## Step-by-Step

### Step 1: Navigate to your Financial Settings

In the left-hand menu, click **Finances** > **FINANCIAL SETTINGS**

The screenshot shows the GameDay Passport Training (Baseball) dashboard. The left-hand menu is visible, with the 'Finances' section expanded. The 'Financial Settings' option is highlighted with a red box. The main content area shows the 'Details' section for the organisation, including the address (165 Cremorne Street, Cremorne, VIC, AUSTRALIA, 3121) and the contact information for the President (Andrew Cook, 0400100200, andrew@email.com). There are also 'Stats' sections for Members, Players by Gender, and New Members, each with a 'Configure' link. A 'Get Started' button is visible in the top right corner of the main content area.

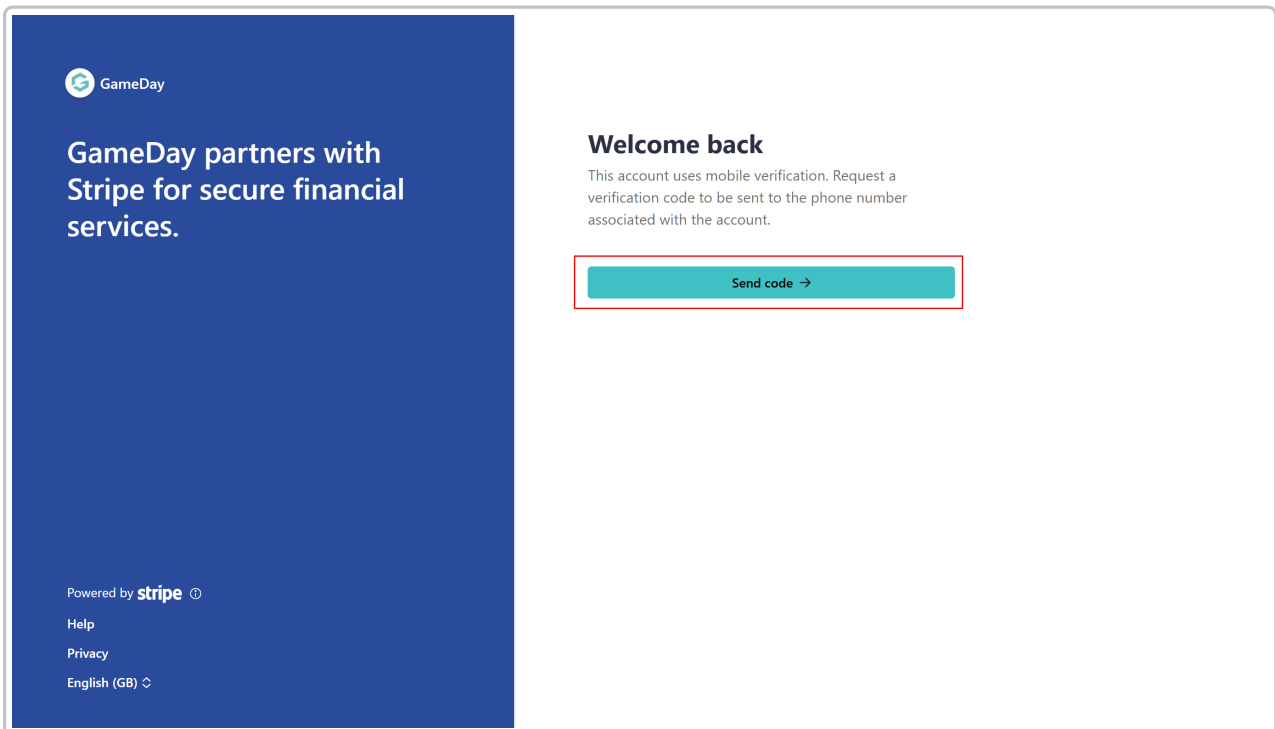

### Step 2: Open your Stripe application

If you have a **Complete** application, you can use the **MANAGE FINANCIAL CONFIGURATION** button to edit your application

### Step 3: Complete the mobile verification

Click the **SEND CODE** button and use the mobile number you used to authenticate the account to verify that you are the financial authoriser of the organisation

### Step 4: Edit your Payout details

Use the **EDIT** buttons to update the **Payout Details** you added on your original application
