How do I add a second bank account through Stripe?

29/05/2025 10:38 am AEST

Overview

If you have completed your organisation's Stripe setup through Passport but need to nominate a second bank account (I.e. to cater for alternative currencies), you can edit your Financial Settings at any stage using the mobile number you used to authenticate your Stripe account upon setup.

Step-by-Step

Step 1: Navigate to your Financial Settings

In the left-hand menu, click Finances > FINANCIAL SETTINGS

| Ċ | | |

Step 3: Complete the mobile verification

Click the **SEND CODE** button and use the mobile number you used to authenticate the account to verify that you are the financial authoriser of the organisation

Step 4: Add your second bank account

Use the ADD BANK ACCOUNT button to enter a new bank account to your Stripe application
