

How to Configure Score Without Players on Courtside

11/05/2026 10:20 am AEST

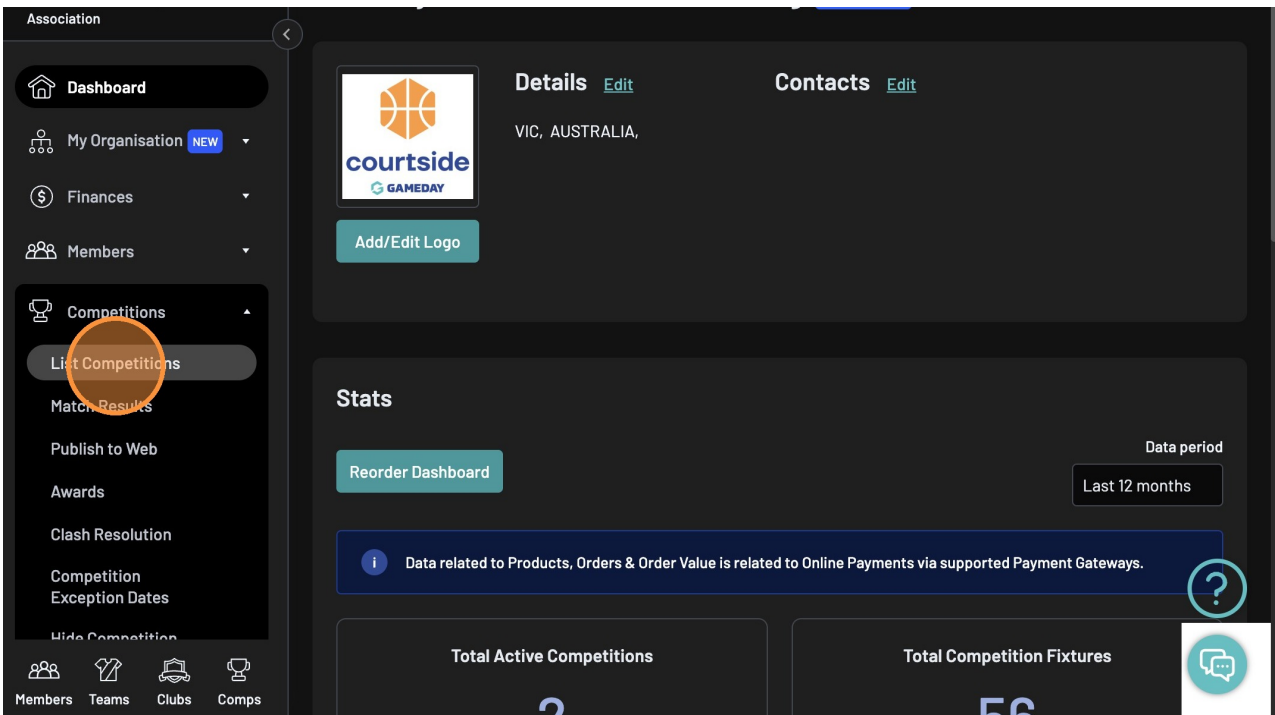

Learn how to adjust competition scoring settings to allow for match results without needing to list individual players. This guide simplifies the process of managing competition administration and record-keeping within the GameDay platform.

Competition Selection

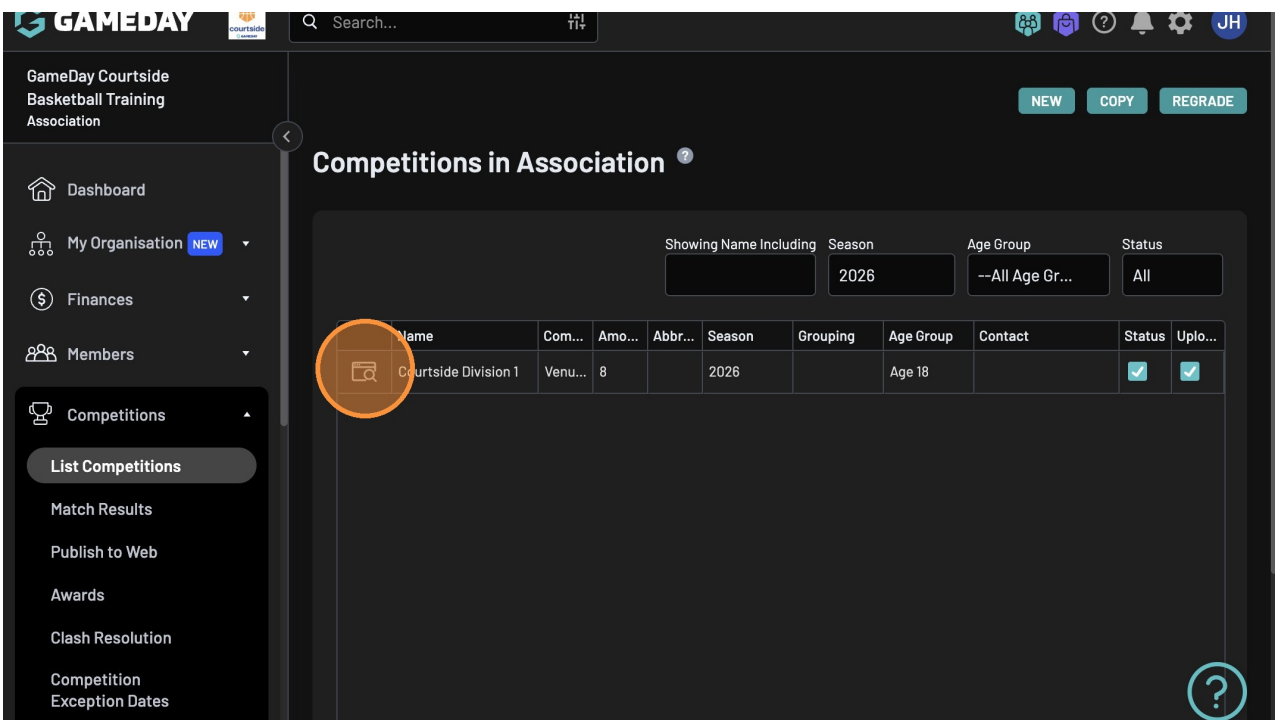

1. Click "Competitions"

2. Click "List Competitions"

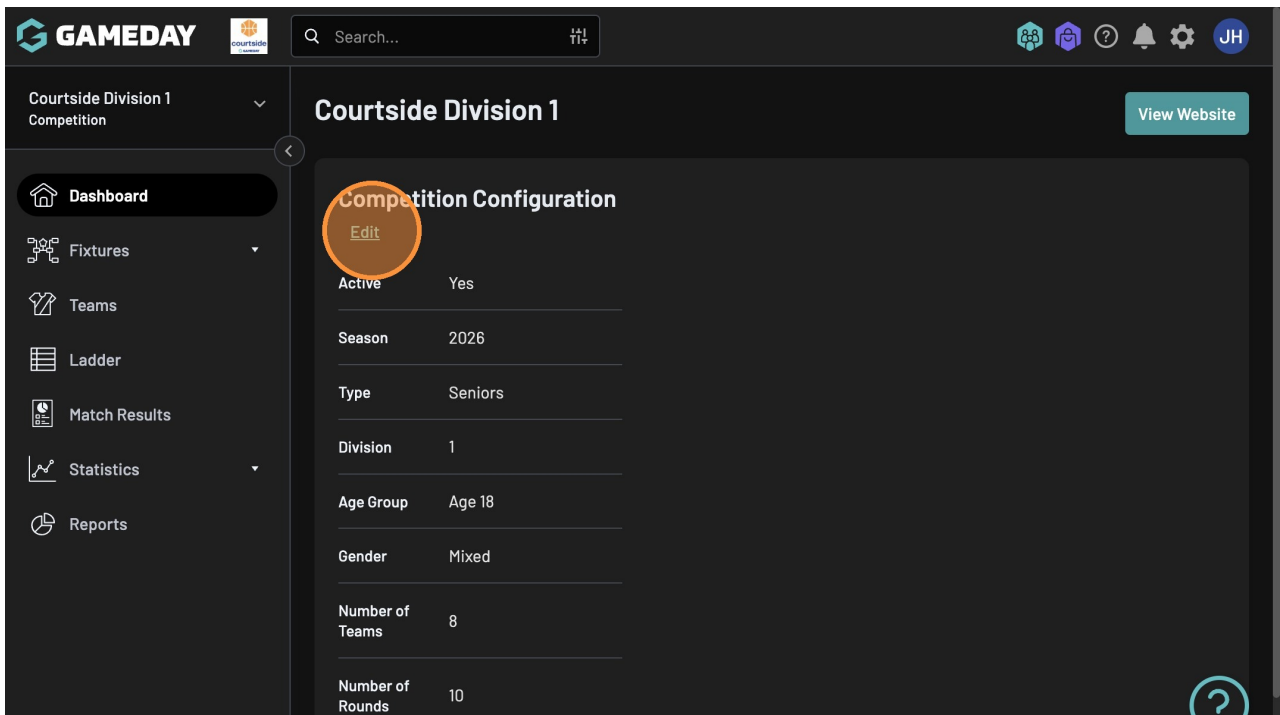

3. Click the magnifying glass icon to view competition details

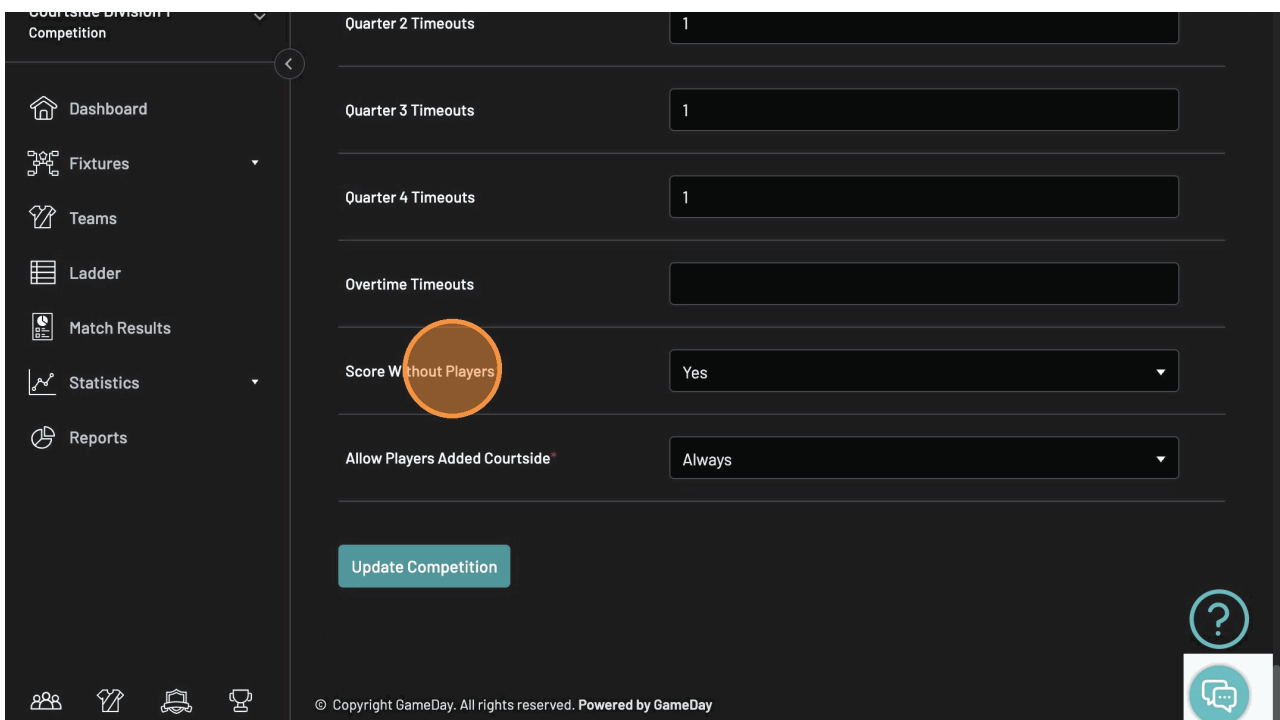

Configuration Update

4. Click "Edit"

5. Select the desired option for the Score Without Players setting

6. Click Update Competition to save changes
